Amazon.co.uk:Customer reviews: Bob Marley: The Untold Story

Bob Marley : the untold story. [Chris Salewicz] -- Chris Salewicz, who spent time with Bob Marley in Jamaica offers us a definitive account of his life and loves, from his humble beginnings to international fame and recognition.

Bob Marley : the untold story (Book, 2010) [WorldCat.org]

I am avid Bob Marley fan. Truth be told the first half of the book was hard to read. The parts about Bob's life in nine miles and Trenchtown were interesting but the minutia about every little detail about Bob's initial recording work was hard to read. I didn't want to skip that part cos I was afraid I would miss something important.

What was it about Bob Marley that made him so popular in a world dominated by rock'n'roll? How is that he has not only remained the single most successful reggae artist ever, but has also become a shining beacon of radicalism and peace to generation after generation of fans across the globe?

What was it about Bob Marley that made him so popular in a world dominated by rock'n'roll?How is that he has not only remained the single most successful reggae artist ever, but has also become a shining beacon of radicalism and peace to generation after generation of fans across the globe?May 11, 1981, a little after 11.30 in the morning, and Bob Marley - only thirty-six years old - died. The man who introduced reggae to a worldwide audience, Bob Marley was a hero figure, in the classic mythological sense. From immensely humble beginnings, with talent and religious belief his only weapons, the Jamaican recording artist applied himself with unstinting perseverance to spreading his prophetic musical message across the globe. In 1980, on tour, Bob Marley and the Wailers played to the largest audiences a musical act had ever experienced in Europe. Less than a year later, Marley would die, only thirty-six years old. Sales of Marley's albums before his death were spectacular; in the years since he died, they have been phenomenal. Chris Salewicz, the bestselling author of Redemption Song, the classic biography of Joe Strummer, interviewed Bob Marley in Jamaica in 1979. Now, for the first time, in this thorough and detailed account of Bob Marley's life and the world in which he grew up and came to dominate, Salewicz brings to life not only the Rastafari religion and the musical scene in Jamaica, but also the spirit of the man himself. Interviews with dozens of people who knew Marley and have never spoken before are woven through the narrative, as Salewicz seeks to explain why he has become such an enigmatic and heroic figure.

What was it about Bob Marley that made him so popular in a world dominated by rock 'n' roll? How is it that he not only has remained the single most successful reggae artist ever, but also has become a shining beacon of radicalism and peace to generation after generation of fans? The man who introduced reggae to a worldwide audience, Marley was a hero figure in the classic, mythological sense. From immensely humble beginnings, with talent and religious belief his only weapons, the Jamaican recording artist applied himself with unstinting perseverance to spreading his prophetic musical message across the globe. In 1980, on tour, Bob Marley and the Wailers played to the largest audiences a musical act had ever experienced in Europe. Less than a year later, Marley would die, only thirty-six years old. Sales of Marley's albums before his death were spectacular; in the years since he died, they have been phenomenal. Chris Salewicz, the bestselling author of Redemption Song, the classic biography of Joe Strummer, interviewed Bob Marley in Jamaica in 1979. Now, for the first time, in this thorough, detailed account of Marley's life and the world in which he grew up and which he came to dominate, Salewicz brings to life not only the Rastafari religion and the musical scene in Jamaica, but also the spirit of the man himself. Interviews with dozens of people who knew Marley and have never spoken before are woven through the narrative as Salewicz seeks to explain why Marley has become such an enigmatic and heroic figure, loved by millions all over the world.

The reggae musician's manager provides details of Bob Marley's life and musical career.

"Reggae's chief eyewitness, dropping testimony on reggae's chief prophet with truth, blood, and fire." —Marlon James, Man Booker Prize–winning author Renowned reggae historian Roger Steffens's riveting oral history of Bob Marley's life draws on four decades of intimate interviews with band members, family, lovers, and confidants—many speaking publicly for the first time. Hailed by the New York Times Book Review as a “crucial voice” in the documentation of Marley's legacy, Steffens spent years traveling with the Wailers and taking iconic photographs. Through eyewitness accounts of vivid scenes—the future star auditioning for Coxson Dodd; the violent confrontation between the Wailers and producer Lee Perry; the attempted assassination (and conspiracy theories that followed); the artist's tragic death from cancer—So Much Things to Say tells Marley's story like never before. What emerges is a legendary figure “who feels a bit more human” (The New Yorker).

A memoir by the woman who knew Bob Marley best—his wife, Rita. Rita Marley grew up in the slums of Trench Town, Jamaica. Abandoned by her mother at a very young age, she was raised by her aunt. Music ran in Rita's family, and even as a child her talent for singing was pronounced. By the age of 18, Rita was an unwed mother, and it was then that she met Bob Marley at a recording studio in Trench Town. Bob and Rita became close friends, fell in love, and soon, she and her girlfriends were singing backup for the Wailers. At the ages of 21 and 19, Bob and Rita were married. The rest is history: Bob Marley and the Wailers set Jamaica and the world on fire. But while Rita displayed blazing courage, joy, and an indisputable devotion to her husband, life with Bob was not easy. There were his liaisons with other women—some of which produced children and were conducted under Rita's roof. The press repeatedly reported that Bob was unmarried to preserve his “image.” But Rita kept her self-respect, and when Bob succumbed to cancer in 1981, she was at his side. In the years that followed, she became a force in her own right -- as the Bob Marley Foundation's spokesperson and a performer in her reggae group, the I-Three. Written with author Hettie Jones, No Woman No Cry is a no-holds-barred account of life with one of the most famous musicians of all time. In No Woman No Cry, readers will learn about the never-before-told details of Bob Marley's life, including: How Rita practiced subsistence farming when first married to Bob to have food for her family. How Rita rode her bicycle into town with copies of Bob's latest songs to sell. How Rita worked as a housekeeper in Delaware to help support her family when her children were young. Why Rita chose to befriend some of the women with whom Bob had affairs and to give them advice on rearing the children they had with Bob. The story of the attack on Bob which almost killed the two of them. Bob's last wishes, dreams, and hopes, as well as the details of his death, such as who came to the funeral (and who didn't).

Bob Marley was the undisputed sovereign of reggae music and a revolutionary soul-prophet whose music continues to have a major impact on people of throughout the world. Catch A Fire chronicles Bob Marley's life and career, as well as the zeitgeist that shaped his spiritual and political beliefs. Presented here is not simply the journey Bob Marley undertook himself, but also the societal frameworks he railed against, the philosophy he espoused and fascinating insider-information on the intrigues of the reggae music business.Written by Timothy White, fully revised and expanded, this 2006 edition of Catch A Fire paints a rich tapestry of the triumph and tragedy surrounding one of the most important and influential figures of the 20th century."There isn't another book that gives as full and accurate a portrait of reggae culture. This is a biography no serious pop fan should be without."--J. D. Considine, The Baltimore Sun"The strange island of Jamaica with its obeah spells, cosmic coincidences, and tragic fatalism is rendered with a gifted, accurate touch that recalls the best of Garcia Marquez."--Chris Salewicz, The Face"Aloof, cagey, proud, funny, Marley has been made human in this book. He's no longer just a fierce-eyed legend who died too soon.... One of the most vivid portraits of a pop artist ever written."--Ken Tucker, Knight-Ridder Newspapers

Traces the life of Marley, looks at his music and its impact on people throughout the world, and discusses the reggae music business, the social history of modern Jamaica, and the origins of the Rastafarian religion. Reprint. 30,000 first printing.

Here is a poignant account of reggae icon Bob Marley (1945-1980) told in the lyrical but earthy tones of his devoted mother. 33 photos.

In honor of Bob Marley's seventy-fifth birthday, this glorious oversize book collects more than 150 photographs that celebrate the life and influence of the forefather of reggae and one of the greatest musical and sociopolitical icons of twentieth-century pop culture. Drawing exclusively on photos in the Marley family archives, the book mixes the iconic and the intimate, bringing together striking images of Marley as a performer onstage with unseen glimpses into his creative process in and out of the studio and his family life in Jamaica. Making the most of its oversize pages, the book is designed as a monument to his influence. Focusing on the last decade of his life--the period of his greatest worldwide fame--and with excerpts from unpublished interviews and prophetic quotes alongside the images, this is a definitive portrait of one of the great artists of the twentieth century made by those who knew him best.
