Peu avant sa mort soudaine en 1957, Christian Dior, alors au faîte de sa gloire, entreprit de publier ses Mémoires où, avec humour et style, il retrace le destin exceptionnel d'un homme qui, inconnu un jour, célèbre dans le monde entier le lendemain, révolutionna la mode. Rien, pourtant, ne semblait l'y

prédestiner. C'est sur le tard que, pressé par la nécessité, il s'initie à la gravure de mode, puis travaille avec les plus grands. En 1946 (il a alors 41 ans), naît la maison Christian Dior. Quelques mois plus tard, sa première collection rencontre un succès immédiat et éclatant: son existence en sera irrémédiablement bouleversée. C'est ce parcours hors du commun que, dans un style surprenant d'élégance, Christian Dior nous fait découvrir. Il nous invite à passer les portes du 30, avenue Montaigne pour assister à la naissance d'une collection ou pénétrer dans les coulisses d'un défilé. Et, surtout, il dit ses intuitions géniales, avoue ses doutes, ses audaces, son obsession du détail et du travail soigné, tout ce qui en fit l'un des plus grands noms de la haute couture.

Christian Dior (1905-1957) rocketed to fame with his first collection in 1947 when the "New Look" took the world by storm. This charming and modest autobiography gives a fascinating and detailed insight into the workings of a great fashion house, while revealing the private man behind the high-profile establishment. It is also a unique portrait of classic Paris haute couture of the 1950s and offers a rare glimpse behind the scenes. Dior details his childhood in Granville, the family and friends closest to him, his most difficult years and sudden success, as well as his sources of inspiration and creative processes.

In celebration of the seventieth anniversary of the founding of the house of Dior comes the first volume in a series of books devoted to each designer of the couture house. Dior by Christian Dior is the ultimate compendium of the most iconic designs conceived by Christian Dior. Featuring a wealth of stunning photographs by Laziz Hamani and lovingly detailed text by Musee Galliera director Olivier Saillard, this monumental volume encompasses a curated selection of Christian Dior's most important haute couture creations.

In February of 1947, the crème de la crème of Paris haute couture have flocked to see Christian Dior's debut fashion show. In a flurry of corolla shaped skirts, the parade of models file down the runway and the mesmerized audience declares the show a triumph. When Clara—a freshly hired chronicler and guide to the busy corridors of the brand-new fashion house—is hand-picked by Dior to be a model, she knows her life will never be the same. A biography docudrama that marries fiction with the story of one of the greatest couturiers in history, this work is a breathless and stunning presentation of Christian Dior's greatest designs,

beautifully rendered by bestselling artist Annie Goetzinger.

The great hats of Dior, as chosen by Stephen Jones, one of the most revered milliners of our times. Christian Dior himself wrote in his *Little Dictionary of Fashion*: "A hat is essential to any outfit. It completes it. In a way, a hat is the best way to express your personality." Published on the occasion of the 2020 exhibition at the Musée Christian Dior in Granville, France, and authored by renowned milliner Stephen Jones, this volume celebrates more than seventy years of exquisite hats. Opening with a focus on hats designed by Christian Dior himself, the book explores the house's headdresses over the years--from the first millinery of the New Look to Yves Saint Laurent's Venetian masks, the toques of Marc Bohan, dramatic boaters by Gianfranco Ferré, John Galiano's extravagant confections, the graphic neck bow by Raf Simons, and romantic designs by Maria Grazia Chiuri. Jones's insightful texts are accompanied by contributions from leading experts and enlivened by drawings and photographs from Dior's archives; shots by famed photographers, such as Richard Avedon, Sir Cecil Beaton, and Craig McDean; and exclusive new images by Sølve Sundsbø.

At once Dior scrapbook, survey and autobiography, this magnificent compendium offers a panorama of the life and art of one

of the twentieth century's most influential fashion designers. It reprints Dior's 1956 autobiography *Christian Dior et moi*--in which the designer contrasted his reputation as both an individual and as a company with his own sense of himself--alongside eight articles by Dior first published in *Elle* magazine in 1951, which were then collected as *Je suis couturier*. Throughout, the volume takes as its thematic anchor the designer's beautiful childhood home in Granville, elaborating his lifelong attachment to the house (now the Christian Dior Museum) and its gardens, and showing how his work was influenced by these resplendent environs--a theme that especially preoccupied Dior himself, who once affirmed his "tender and wonderful memories of my childhood home," declaring that "my life and my style owe everything to its location and architecture." Many of the copious illustrations that accompany these writings are supplied by the Christian Dior Museum collection, and reproduce family albums and archival photographs, fashion sketches and formal presentations of classic Dior dresses, hats, shoes and jewelry. Dior scholar Jean-Luc Dufresne conducts a tour of the Dior house and garden, narrating its long and fascinating history.
