Back to basics. College Accounting: A Practical Approach focuses on getting back to the basics of accounting by providing readers with plenty of detailed instruction, opportunities to apply what they learn, and a basic overview of accounting in today's technology-driven world.

College Accounting provides the beginning accounting student with the fundamentals of financial accounting through clear, concise, and easy-to-read text with examples and practice opportunities along the way. Combining the expertise of successful authors Paul Kimmel and Jerry Weygandt and the perspectives of two community colleges professors, DeAnna Martin and Jill Mitchell, this resource is the perfect blend of solid, time-tested content and a new streamlined design of embedded charts, lists, and illustrations that help students grasp difficult concepts.
