form of a walk.

When Raja

Shehadeh first  
started hill

walking in

Palestine, in

the late 1970s,

he was not aware

that he was

travelling

through a

walks span a period of twenty-six years, in the hills around Ramallah, in the Jerusalem wilderness and through the ravines by the Dead Sea. Each walk takes place at a different stage of Palestinian

recording how

the land felt

and looked

calamities, Raja

attempts to

the Palestinian

many

This book

challenges the

Israel and its

These

misconceptions,  
promoted by  
Israel and its  
supporters, are  
often used to  
justify the  
continuing

This work offers  
a synthesis of  
the most salient
