Economics Today has long led the field in offering students and instructors a dynamic, application-rich approach to learning and teaching economics. The MyEconLab Edition presents an unprecedented wealth of specially designed multimedia resources available in CourseCompass, Addison-Wesley's premier Blackboard-based course management system. This Web site includes an electronic version of the textbook that serves as a navigational tool for students to access animations, video clips, audio narration, and Internet activities that are indicated by icons built right into the text. Together, these media-based features sharpen students' overall mastery of economics by reinforcing their command of economic theory and bolstering their ability to analyze graphs.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Miller, Economics
