Test questions are provided for each chapter of this textbook, together with detailed mark schemes to make assessment easy. Two versions of each question are provided. One allows pupils to write their answers in the spaces provided and the other requires pupils to have separate writing paper. Questions can be grouped according to needs. Master grids are provided to cut and paste tests together in a consistent format to use the resource in any order. Chapter tests can be grouped to form a module test after chapters. End-of-chapter examinations can also be produced in this way. A free non-calculator supplement organized by unit/chapter is also included in this resource.

This book supports students preparing for the Edexcel International GCSE exam. It comprises of 4 full practice papers. Each practice paper contains 25 questions and detailed solutions. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of IGCSE mathematics with an appropriate difficulty. Solutions are easy and comprehensible by people of all skill levels. They offer students ways of dealing with common problems but also more complex questions that students may struggle with under examination pressure. The solutions have been reviewed by many students of varying skill, to ensure that they are easily understandable while being the fastest and most re-applicable.

Focused on the new assessment objectives, GCSE Maths Practice Book: Use and Apply Standard Techniques is full of expertly written practice questions to help you become confident and fluent in maths.
