Journalists from around the world relate how various encounters, events, and moments have touched them during the course of their duties in this collection of writings.

It all begins with a howl, the unsettling sound which tells audiences that someone will soon become a werewolf. But the changes that occur during that transformation aren't just physical; they are psychological as well. Unremarkable men become domineering leaders. Innocuous men become violent and overtly sexual. In films from The Wolf Man and An American Werewolf in London to Ginger Snaps, when the protagonists become werewolves, their perceptions of their gender and their masculinity or femininity change dramatically. This volume explores how werewolves in cinema have provided an avenue for frank and often enlightening conversations about gender roles and masculinity. Werewolves are indeed a harbinger of change, but the genre of werewolf cinema itself has changed over time in how different styles of masculinity and different gender identities are portrayed.

A must-have collection for comics fans and creators everywhere, packed with interviews and original comics by today ' s foremost graphic novelists. Respected anthologist Leonard S. Marcus turns his literary microscope to the world of comics, which has lately morphed and matured at a furious pace. Powerful influences from manga to the movies to underground comix have influenced the thirteen artists and writers interviewed in these pages to create their own word-and-picture narratives. Here are their moving, funny, inspirational stories: true tales from the crucible of creative struggles that led each to become a master of one of today ' s most vibrant art forms. The book also contains an original graphic short on the common theme of " the city" from each of the artists, a mini-comic set in a cityscape of their choosing—present-day, historical, or imaginary. Featuring interviews with: Harry Bliss Catia Chien Geoffrey Hayes Kazu Kibuishi Hope Larson Danica Novgorodoff Matt Phelan Dave Roman Mark and Siena Cherson Siegel James Sturm Sara Varon Gene Luen Yang

An ancient evil is murdering the Mages. And she might be the next to die. ... In the magical boroughs of New York City—filled with supernatural races like the Vamps, shifters, Fae, and witches—evil lurks, waiting for its chance to kill again. Things are bad for Aspen Rivest, the newest—unwanted—Mage of New York. The Council of Mages is in shambles. Lucien ' s confession has left her wondering if she can trust anyone, and Isak, the boy she cares about, is nowhere to be found. Now she ' s running out of time. Maladias ' servants, the Kings, have made it to Earth, tasked with a single purpose: Kill all the Mages and make way for their master ' s return. With Isak gone, it ' ll take all of Aspen ' s newfound power, cunning, and bravery to bring him back and find the Kings...before they find her. The stakes are raised even higher in Mage ' s Trial, the second book in this action-packed young adult urban fantasy trilogy. Full of magic, mystery, breathtaking twists, and romance, these are urban fantasies you won ' t want to put down!
