The number of commercially available American whiskeys has grown exponentially over the past 20 years, as has its popularity. Discerning drinkers will savour this, the only guide devoted solely to US-made whiskey, rye and bourbon. Arranged alphabetically by distillery and/or brand, it offers histories, ratings and tasting notes for over 200 whiskeys. Each main account includes the name and address of the maker, including website URL and contact information, along with its various products. In addition to finding information on how to get the best value for your money, you'll learn how to buy whiskey, how to read a label, which whiskey to give as a gift and much more.

new syllables, sounds, and words--including the long A in wave, the sk in skeleton, and the short U in puppy--and then bring that knowledge to their reading.

Vocabulary represents one of the essential skills necessary for teaching and learning a foreign language. It is the basis for developing all the other skills: reading comprehension, listening comprehension, speaking, writing, spelling, and pronunciation. Vocabulary is the primary tool for the students in their attempt to use English effectively. When confronted with a native English speaker, when watching a movie without subtitles or when listening to a favorite English song, when reading a text, or when writing a letter to a friend, students will always need to operate with words. This book is a great educational learning tool for your kids to play games and learn new essential words simultaneously. You can see your child's reading improvement!

Are you sick of the same old word search books over and over again? Let me guess, it's a block of random letters with thirty loosely-related boring words to find, over and over and over again until your brain rots? Not this book! This is a real word-searcher's word search book, and I truly believe it is the best one out there - especially if you're an adult looking for something more engaging. Sometimes it's a little tougher than typical word searches, but it's nothing you can't handle! It is great for all ages - kids and adults alike - and though some of the trivia questions, concepts, and words may be unfamiliar to a younger audience, they can still find and circle the words, and maybe learn something new! There are additional puzzles within the 115 word searches in this book, there are interesting words, there are interesting

word lists, a little trivia, a little humor, and it's pretty large print. If you're new to these kinds of puzzles, it's a great book to start with, and if you've been doing word searches for years, it's a great book to get next. It's a great gift for you, a loved one, or even a not-so-loved one. It's great for airplanes, trains, cars, and possibly boats. It's handcrafted with love, and I promise you will enjoy it.
