The online study guide also allows students to create online electronic portfolios that can be used as evidence of meeting physical education outcomes and standards. Access is free to teachers and students with an adoption of 25 or more copies. -Test bank—Quickly and easily create exams from more than 500 multiple-choice, essay, and matching questions. You can easily customize the exams to meet your needs, and you can make them unique for each class period you teach. -Award-winning DVDs—Two DVDs each include five 20-minute segments that illustrate key concepts, activities, and assessments featured in the text, including the Telly Award – winning segments. -The Lifetime Fitness DVD includes Introduction to Physical Activity, Cardiovascular Fitness, Muscle Fitness, Flexibility, and Body Composition. -The Wellness DVD includes Introduction to Wellness, Nutrition, Stress Management, the Activity Pyramid, and Planning Healthy Lifestyles. -Additional supplementary instructional materials are also available for purchase: -Physical Education Soundtracks—Two CDs contain the cadence for PACER and other fitness tests, music intervals, and music for exercise routines. -Physical Activity Pyramid Posters—Explains the FIT formula for all types of physical activities. How Fitness for Life Benefits Students -Fitness for Life helps students meet national, state, and local physical education standards and helps students achieve national health goals outlined in Healthy People 2010. -Fitness for Life is based on the HELP philosophy, which specifies the goal of promoting health for everyone with an emphasis on lifetime activity designed to meet personal needs. -Fitness for Life helps students learn the value and benefits of lifelong physical activity. Just as important, they learn that physical activity can and should be fun—and thus they are more likely to become and remain active throughout their lives. -Students learn how to create an activity and fitness plan, set individual goals, assess their status and progress, manage their time and responsibilities, and overcome barriers to regular physical activity. They learn to use technology to benefit their fitness rather than detract from it. And they experience the various components of health-related fitness, activity, and wellness through participation in the many labs and activities that are a crucial part of the Fitness for Life program. -Fitness for Life enables students to have success, build confidence in their ability to lead an active lifestyle, and take control of their own health. And research has shown that the program is effective in promoting physically active behavior after students finish school. -Fitness for Life complements the total learning process, contributing learning experiences in science, math, and language arts, including extensive vocabulary enhancement. for Life Benefits Teachers -Teachers can present this course knowing that it is consistent with national and state standards. -Fitness for Life helps students understand lifelong fitness concepts and learn the keys to adopting and maintaining healthy behavior throughout their lives. -The program is easily adaptable to any schedule and includes block plans of all types. -The organization of the text and the comprehensive ancillaries make teaching this course as simple as possible, with a minimum of preparation time—even for those with no experience in teaching this type of course. -Workbooks and materials completed by students in the online study guide can be used in creating student portfolios that provide evidence of students' accomplishment of national, state, and local outcomes and standards. Compatibility With FITNESSGRAM®/ACTIVITYGRAM® and Physical Best Author Chuck Corbin has been a member of the FITNESSGRAM/ACTIVITYGRAM Scientific Advisory Board since its inception. The FITNESSGRAM/ACTIVITYGRAM assessments embedded in the Fitness for Life self-assessment program—as well as the book's approach to teaching health-related fitness and physical activity—are consistent with the stated philosophy of the FITNESSGRAM/ACTIVITYGRAM Scientific Advisory Board. Fitness for Life is also fully compatible with Physical Best resources; in fact, the Physical Best program offers teacher training for Fitness for Life course instructors. All three programs are based on the HELP philosophy, which promotes health for everyone with a focus on lifetime activity of a personal nature. Dr. Corbin is recognized nationally and internationally as the leader in teaching health-related fitness and activity to middle and high school students. He wrote the first high school textbook on this subject, which has often been imitated but never equaled. Dr. Corbin has received numerous national awards in physical education and has authored, coauthored, or edited more than 70 books and videos. Fitness for Life (winner of the Texty Award of the Text and Academic Authors Association), Concepts of Physical Fitness (winner of the McGuffey Award), and Concepts of Fitness and Wellness are the most widely adopted high school and college texts in the area of fitness and wellness. Two of Dr. Corbin's video programs have earned Telly Awards for Excellence for educational videos. He is first author of the national physical activity standards for children, published by COPEC and NASPE.
