First Wheels: Ford Ka Buying Guide. March 26, 2018 by Chris Knapman. As somebody whose first car cost a mere £450, it seems amazing to fathom that new drivers today fork out an average of £4,627 on their entry into the world of automobile ownership. That, however, is the figure uncovered in our latest research, which sought to find out how the amount drivers spend on their first cars has varied over the past 70 years.

brought family motoring to millions of people from the early 1960s. These Fords were straightforward, easy to drive and simple to maintain, and their popularity has been sustained largely because of this. Their basic simplicity of design and inherent ruggedness means that they are ideal candidates for DIY restoration. The booming owners's club movement and the continuing availability of spare parts ensures that these cars will have a strong following for many years to come.

When launched, the Ford Capri was revolutionary. It was a car that set the European market alight, allowing even a buyer on a modest budget an intoxicating whiff of the exotic while keeping running costs at affordable levels. That status eroded over time, and the Capri sat in the classic car doldrums for many years. That situation has thankfully changed, and Capri values are rising rapidly This guide takes the potential
