Advocacy is inherently political and an understanding of political dynamics is at the heart of effective advocacy. Even the most clear-minded advocacy for pro-poor ICT policies can meet resistance for various reasons, including lack of political will, bureaucratic inertia, and counter arguments from well-resourced interest groups pursuing their own advocacy efforts.

Civil justice in the United States is neither civil nor just. Instead it embodies a maxim that the American legal system is a paragon of legal process which assures its citizens a fair and equal treatment under the law. Long have critics recognized the system's failings while offering abundant criticism but few solutions. This book provides a comparative-critical introduction to civil justice systems in the United States, Germany and Korea. It shows the shortcomings of the American system and compares them with German and Korean successes in implementing the rule of law. The author argues that these shortcomings could easily be fixed if the American legal systems were open to seeing how other legal systems' civil justice processes handle cases more efficiently and fairly. Far from being a treatise for specialists, this book is an introductory text for civil justice in the three aforementioned legal systems.

Pretrial Advocacy: Planning, Analysis, and Strategy, Fifth Edition provides an excellent conceptual and practical foundation for pretrial litigation for both teachers and students. Pretrial Advocacy covers both criminal and civil pretrial practice, with a focus on federal and state litigation. Professional responsibility and civility are emphasized throughout the text. Ninety percent of all civil cases never make it the jury; they are resolved through a pretrial process that is today the unsung forum for dispute resolution. Rather than teaching lawyers to abandon evidence and trial skills, Pretrial Advocacy does the opposite; it teaches lawyers that modern litigation is “front loaded” and cases must be prepared with the assumption that they will be tried. As the authors note, it is the rigor of the pretrial process that drives resolution. From the first client interview through motions practice, you will learn to effectively evaluate cases, draft complaints, conduct informal and formal discovery, prepare and respond to motions, negotiate with opposing counsel, and, if necessary, be ready for trial. Pretrial Advocacy is the

ideal textbook for law school clinics, law school pretrial litigation courses, and practicing lawyers. Both practical and theoretical, it teaches litigation as a process informed by rules and cases, but also by strategic considerations. Its hands-on and accessible text makes it a perfect reference for learning skills and a continuing reference. Professors and students will benefit from: Practical guidance for each step of representation, backed up by citations and references for deeper understanding of each topic An accessible writing style that puts the needed information right at the reader's fingertips Tips to foster the attorney's relationships with clients, opposing counsel, and the court

Criminal Pretrial Advocacy serves as a resource for educators, students, and beginning trial attorneys by focusing on what criminal lawyers primarily do—prepare cases and settle them. In order to assist preparation, the text emphasizes strategy and ethics. For educators, this text would be ideal for pretrial advocacy courses. For students, it can serve as an introduction and careful description of the process of trial preparation and settlement. Unlike casebooks, this text offers a clear and practical description of the logistics of trial preparation and tips for case settlement. For practitioners, it provides a foundation, or a basic guide, for introducing new attorneys to

the pre-trial procedures they might otherwise be unfamiliar with. By reading and studying *Criminal Pretrial Advocacy*, advocates will be better prepared for trial and in a better position to prevail. Throughout, we relate the foundations of criminal pretrial advocacy; we discuss filing charges, developing a persuasive case theory, and bail review strategies. You will learn how successful attorneys interview their clients and witnesses. We explain proper discovery procedure and draw on our courtroom experience to identify the methods needed to effectively litigate preliminary and grand jury hearings. A significant portion of the text is devoted to the mechanics of preparing and presenting motions. *Criminal Pretrial Advocacy* will also provide strategies for arriving at successful case settlements. When you are finished, you will possess the tools to prepare confidently and successfully for criminal trials. *Criminal Pretrial Advocacy* will be most effective when used in conjunction with our mock trial companion book, *Criminal Mock Trials*. The companion book presents a comprehensive set of interesting case files with a variety of pretrial and trial issues for students to explore. Together the companion book and this text present a series of criminal practice cases, hypothetical cases, checklists, and notes on ethical considerations. Both texts present stimulating pretrial advocacy and ethical issues to facilitate provocative

discourse. Because an advocate's success in criminal law stems from the meticulous planning that takes place during the pretrial stages, attorneys must prepare thoroughly. Criminal Pretrial Advocacy and Criminal Mock Trials will provide you with the tools needed to achieve this goal. Terry Adamson has taught trial advocacy and pretrial advocacy classes at Pepperdine University School of Law for eighteen years and is one of the trial team coaches for Pepperdine's nationally acclaimed trial advocacy program. She is also a former Los Angeles County Deputy District Attorney, and has prosecuted a wide range of cases. She was the co-prosecutor for the high-profile, thirteen month long jury trial known as the "Chinatown" case, in which one of the multiple murder victims was a police officer. Professor Adamson was a Malibu Superior Court Commissioner for eighteen years, presiding over every aspect of felony and misdemeanor cases. She is currently the Distinguished Jurist in Residence at Pepperdine University School of Law. Professor Adamson is a recipient of the David McKibbin Outstanding Teaching Award. H. Mitchell Caldwell teaches Criminal Law and Criminal Procedure as well as trial advocacy courses and serves as advisor of the law school's highly successful interschool trial teams. Before joining the Pepperdine faculty, he was a trial prosecutor in Santa Barbara and Riverside Counties. Professor Caldwell routinely represents

condemned prisoners in the appeals of their death sentences before both the California Supreme Court and the U.S. Supreme Court. He has written extensively in the area of criminal procedure, trial advocacy, and the death penalty and is the co-author of *Ladies and Gentlemen of the Jury* (1998), *And the Walls Came Tumbling Down* (2004) and *The Devil's Advocates* (Fall 2006). This popular series of books celebrates significant jury trials and the lawyers who tried the cases. *Ladies and Gentlemen of the Jury* was selected by the *Los Angeles Times* as a best non-fiction selection. Caldwell also co-authored *The Art and Science of Trial Advocacy* for use at the law school level. Professor Caldwell has received several teaching awards including the Luckman Distinguished Teaching Award and was the recipient of the Richard Jacobson Award as the nation's premier trial advocacy teacher in 2000.

Understanding Assisted Suicide provides both a fresh take on this important topic and the context of intelligent participation in the discussion. Uniquely, John Mitchell frames the issue using his own experience of watching both his parents die, which led him to ask fundamental questions about death, dying, religion, and the role of medicine and technology in alleviating human suffering.

This trailblazing work, now in its Tenth Edition, continues to be the standard of pretrial texts, covering litigation practice and underlying theories. It is widely adopted in skills and clinic courses, advanced civil procedure seminars, civil procedure classes, as well as in pretrial litigation classes. The chapters comprehensively explain case planning, investigation, pleadings, discovery, ediscovery, depositions, interrogatories, document and ESI production, admission requests, sanctions, procedural and dispositive motions, effective motion advocacy, and alternative dispute resolution and settlement methods. The materials enable students to become highly competent, responsible, and ethical litigators. This benchmark book covers the skills, theories, strategies, tactics, and techniques applicable to pretrial and prehearing practice before judges, arbitrators, and administrative officials. The extensive text provides examples and illustrations of successful litigation practice. This Tenth Edition explains the 2015 amendments to the federal rules and describes new approaches to
