This cost-effective alternative to traditional Business Law texts offers in-depth coverage of all core topics (including contracts and sales) in a brief, paperback format. It's the first book of its kind to combine a less expensive, less detailed approach with excerpted (rather than summarized) cases to illustrate key points of law. This text is perfect for single-semester courses that focus primarily on contracts and sales.

Interesting, clear, and applied, **BUSINESS LAW TODAY, THE ESSENTIALS: TEXT AND SUMMARIZED CASES**, 11E is a concise guide to the law and what it means in the business world -- from contracts and secured transactions to warranties and government regulations. Easy to understand with an engaging writing style that is matched by vibrant visuals, **BUSINESS LAW TODAY: THE ESSENTIALS** includes coverage of contemporary topics that impact not only the business world, but also the reader's personal life. The book examines timely issues, such as the financial crisis and its impact on business law, identity theft, immigration law, and diversity issues. Fascinating features and intriguing cases highlight the practicality of the concepts highlighted in the book. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The book provides an overview of developments in the field of entrepreneurship education, with special reference to global perspectives on innovations and best practices, as well as research in the emerging economy context. It focuses on various experiments in curriculum design, review and reform in addition to the innovative processes adopted for developing new content for entrepreneurship courses, in many cases with an assessment of their impact on students' entrepreneurial performance. Further, it discusses the pedagogical methods introduced by teachers and trainers to enhance the effectiveness of students' learning and their development as future entrepreneurs. It explains the various initiatives generally undertaken to broaden the scope of entrepreneurship education by extending it beyond regular students and offering it to other groups such as professionals, technicians, artisans, war veterans, and the unemployed. The book is a valuable resource for researchers and academics working in the field of entrepreneurship education as well as for trainers, consultants, mentors and policy makers.
