Introduction
The Fujifilm FinePix HS10 is a new super-zoom digital compact camera with a long list of headline-grabbing features. Looking and handling like a DSLR, the bridge-style Fujifilm HS10 is one of only two digital cameras in the world to boast a 30x zoom lens (the other one being the Olympus SP-800UZ, which we recently reviewed).

Jo Beckett is a forensic psychiatrist who profiles victims' lives to help solve their deaths. On a San Francisco street, she is confronted by a scene of pure carnage: four dead and five injured after a high speed pursuit. In the mangled remains of a BMW lies prosecutor Callie Harding, dead with the word "dirty" written in lipstick on her thigh. Why did Harding run from the police? Why did she crash through a bridge railing? Was it an accident? Suicide? Or murder? Jo is a last resort in difficult cases. But now she's on the front line, because Callie Harding isn't the first high flyer to go down and take others with her.

Diagnose a person's health problems on his/her face in three minutes based on the theory of five elements. With illustrations and detailed instructions, it is easy to learn to diagnose with the colors and their location on the face. More than 62 illnesses In Simplified Chinese. Distributed by Tsai Fong Books, Inc.
