mindfulness practices to help cut through the static of everyday life, to be more focused and present, and to improve academic performance. Along with new content on sleep and health, as well as diversity and health equity, Health: The Basics builds on its strengths of using the most current, scientifically valid research, examining important issues and controversies about health today, and motivating students to become "actively engaged in health" at all levels. Students have access to videos, self-assessments, and online interactive activities and reading quizzes that address their diverse needs and learning styles while engaging them in the material. Also available with Mastering Health Mastering(tm) is the teaching and learning platform that empowers you to reach every student. By combining trusted author content with digital tools developed to engage students and emulate the office-hour experience, Mastering personalizes learning and often improves results for each student. With a variety of activities available, students can actively learn, understand, and retain even the most difficult personal health concepts. Note: You are purchasing a standalone product; Mastering Health does not come packaged with this content. Students, if interested in purchasing this title with Mastering Health, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.

its hallmarks of currency, excellent research, strength in behavior change, attractive design, imaginative art, and unique mini-chapters. This program presents a better learning experience for you. Health: The Basics, Eleventh Edition will:

Personalize learning with MasteringHealth: MasteringHealth coaches you through the toughest health topics. Engaging tools help you visualize, practice, and understand crucial content, from the basics of health to the fundamentals of behavior change. Cover health topics with a real-world focus: Money and Technology are two of the timeliest issues arising in health today and are addressed through the new Money & Health and Tech & Health boxes. A new mini-chapter targets financial challenges you face every day, such as budgeting, scams, and debt. Make health mobile: Video Tutors throughout the text present key figures or points of discussion in an engaging video. QR codes make these short videos easily viewable from a smartphone, tablet, or laptop. Encourage critical thinking and behavior change: Learning Catalytics™ is a "bring your own device" student engagement, assessment, and classroom intelligence system that enables your instructor to assess you in real time, improving your critical-thinking skills, access rich analytics, and more.

Health: Pearson eText is a simple-to-use, mobile-optimized, personalized reading experience that can be adopted on its own as the main course material. It lets students highlight, take notes, and review key vocabulary all in one place, even when offline. Seamlessly integrated videos and other rich media engage students and give them access to the help they need, when they need it. Educators can easily share their own notes with students so they see the connection between their eText and what they learn in class -- motivating them to keep reading, and keep learning. If your instructor has assigned Pearson eText as your main course material, search for: 0135611946 / 9780135611944 Pearson eText Access to Health -- Access Card, 16/e OR 0135611911 / 9780135611913 Pearson eText Access to Health -- Instant Access, 16/e Also available with Mastering Health By combining trusted author content with digital tools and a flexible platform, Mastering personalizes the learning experience and improves results for each student.
