If drugs were people you met at a party, ganja and hashish would be the middle-aged guys in dirt-starched jeans sitting on the terrace strumming a guitar. They would say things like 'dude, check out the moon' a lot. Acid would be the amateur DJ mixing Buddha Bar and Ibiza trance, trying to catch all the pretty colours drifting from the sound speakers. Ecstasy the young girl touching herself, touching everybody, touching the walls, making love to the world... Heroin. She's the bitch in the corner, man, just an ageless coldhearted bitch in a business suit. Billy Joel wrote a song about her. Not far from Mumbai is a rehab called Land, founded by Dr Yusuf Merchant (or Doc, as he is known among his patients). A meeting point for those suffering from a range of addictions and behavioural disorders, Land holds extraordinary stories of tragedy, fortitude and survival-including Doc's own story. In *White Magic*, Arjun Nath looks back on the time he spent at Land as a recovering heroin addict: the rules and rituals, the agony of withdrawal and the moments of lightness he shared with his fellow inhabitants. Woven into this personal record is the tale of the maverick doctor's several incarnations: from Ismail to Yusuf to Bhai to Doc. Sharp, sensitive, yet full of swag, *White Magic* is an outstanding achievement.

Teenage baker Syd sends ripples of heartbreak through Austin's queer community when a batch of post-being-dumped brownies turns out to be magical—and makes everyone who eats them break up. "What's done is done." Unless, of course, it was done by my brownies. Then it's getting undone. Syd (no pronouns, please) has always dealt with big, hard-to-talk-about things by baking. Being dumped is no different, except now Syd is baking at the Proud Muffin, a queer bakery and community space in Austin. And everyone who eats Syd's breakup brownies . . . breaks up. Even Vin and Alec, who own the Proud Muffin. And their breakup might take the bakery down with it. Being dumped is one thing; causing ripples of queer heartbreak through the community is another. But the cute bike delivery person, Harley (he or they, check the pronoun pin, it's probably on the messenger bag), believes Syd about the magic

baking. And Harley believes Syd's magical baking can fix things, too—one recipe at a time.

Ava Diaz needs saving. She just doesn't know it yet. Just like she doesn't know a thing about the boy she sits next to on the first day of senior year. He thinks she's a brat. She thinks he's entitled. Maybe first impressions don't always last... Because Connor Ledger's about to save her. He just doesn't know why. “Brontez Purnell’s 100 Boyfriends is a symphony of sex, trouble and wisdom—as if the composer had sex with each member of the orchestra by way of getting it right. An electric prismatic genre-defying punk literary flight, Purnell is twirling here— I loved every page.” --Alexander Chee, author of How to Write an Autobiographical Novel An irreverent, sensitive, and inimitable look at gay dysfunction through the eyes of a cult hero “It’s like that saying, ‘Where god closes a door, he opens a window,’ but in this particular case the window was on the fifth floor and the house was on fire.” Transgressive, foulmouthed, and devastatingly funny, Brontez Purnell’s 100 Boyfriends is a revelatory spiral into the imperfect lives of queer men desperately fighting—and often losing—the urge to self-sabotage. His characters solicit sex on their lunch breaks, expose themselves to racist neighbors, sleep with their coworker’s husbands, rub Preparation H on their hungover eyes, and, in an uproarious epilogue, take a punk band on a disastrous tour of Europe. They also travel to claim inheritances, push past personal trauma, and cultivate community while living on the margins of a white supremacist, heteronormative society. Armed with a deadpan wit that finds humor in even the lowest of nadirs, Brontez Purnell—a widely acclaimed underground writer, filmmaker, musician, and performance artist—writes with the

peerless zeal, insight, and horniness of a gay punk messiah. From dirty warehouses and gentrified bars in Oakland to desolate farm towns in Alabama, Purnell indexes desire, desperation, race, and loneliness with a startling blend of levity and vulnerability. Together, the slice-of-life tales that writhe within 100 Boyfriends are a singular and uncompromising vision of an unexposed queer underbelly. Holding them together is the vision of an iconoclastic storyteller, as fearless as he is human.

Sometimes letting go of the past is the only way to find your future...

**'HOW TO FIX A BROKEN HEART PROVIDES THE VALIDATION, COMFORT AND HOPE ANYONE WHO IS HEARTBROKEN DESPERATELY NEEDS.'** ESTHER PEREL, BESTSELLING AUTHOR OF *THE STATE OF AFFAIRS* AND *MATING IN CAPTIVITY* Every one of us has or will have our heart broken at some point in our lives. Heartbreak, whether it comes in the form of romantic love or through loss, is universal, yet we know so little about how to deal with it. Psychologist Dr Guy Winch imagines how different our lives and our society would be if we paid more attention to this unique emotional pain. Heartbreak can last for days, weeks, months and even years. Yet while we wouldn't expect someone to go to work or function well with a broken limb, heartbroken people are expected to function in their lives, despite the emotional pain they feel. *How to Fix a Broken Heart*

argues that if we don't understand how heartbreak works, we won't be able to heal it and we are likely to make it worse, which we do, and regularly. Dr Winch reveals how and why heartbreak impacts our brain and our behaviour in dramatic and unexpected ways, regardless of our age. Emotional pain lowers our ability to reason, to think creatively, to problem solve and to function. Recovering from heartbreak always starts with a decision, a determination to move on when our mind is fighting to keep us stuck. We can take control of our lives and our minds and put ourselves on the path to healing. Dr Winch offers a toolkit on how to handle and cope with a broken heart and how to, eventually, move on. 'A great read for anyone going through heartbreak, anyone trying to help someone go through heartbreak, or anyone who simply wants to understand humans better' Tim Urban, creator of Wait But Why?
