American Government 2e is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them.

Provides practice exams with answers and explanations, and includes reviews of all test areas from writing skills to science.

"Master the GED" "2010 "is a comprehensive guide that provides the review material and test prep needed to score higher on the high school equivalency diploma test. The exercises and drills provide hands-on practice for every type of test question. Complete with in-depth reviews for each subject exam: Language Arts, Reading; Language Arts, Writing; Mathematics; Science; and Social Studies.
