Think about how you would tell your best friend a funny story that happened to you. Use your natural sense of humor, timing, and rhythm, and know when a funny moment fits into your story. Slide funny words, humorous stories, and one-liners into your text where it feels right. Use observational humor. The funniest writing is based on universal experiences that your reader is familiar with. Write your observations of the world with a different point of view to highlight their absurdity.

Did you know there are writing techniques designed to bring out the funny in all of us? Humor is a difficult genre, but for those who have the desire to make people's lives a little lighter with words, this book is for them. Written in an encouraging and entertaining tone and based on Donna Cavanagh's humor writing workshops, *How to Write and Share Humor: Techniques to Tickle Funny Bones and Win Fans* highlights the "humor helpers" that writers, business professionals or speakers can use to make audiences laugh out loud, softly chuckle or smile with amusement. The book is divided into three parts. Part I explains how to use specific humor techniques plus it provides writing exercises so budding humorists can practice their new craft. Part II talks about the importance of blogging on both individual and community sites and the ins-and-outs of social media. And for those who want to take their writing to the next level, Part III describes the new world of publishing and the options that are out there for all authors. As an added bonus, humorists, authors and comics have contributed "What Inspires my Humor" essays for some reader motivation.

A straightforward, often humorous workbook approach to comedy writing as creative problem-solving. In it, veteran Hollywood comedy writer John Vorhaus offers his tools of the trade to writers, comics, and anyone else who wants to be funny. Among these indispensable tools are Clash of Context, Tension and Release, The Law of Comic Opposites, The Wildly Inappropriate Response, and The Myth of the Last Great Idea. Readers will learn that comedy = truth and pain (the essence of the comic situation), that fear is the biggest roadblock to comedy (kill the ferocious editor within and rich, useful comic ideas will flow), and much more.
