Abstract: The USA is sometimes called "land of the immigrants" or "the promised land." In early times immigrants from different origins and nationalities immigrated to the USA. That's why the USA developed to a multicultural society. There is

Download

Ebook

the great idea of all people from different nations living together.

America is designates as a "melting pot." This term tries to describe the assimilation of immigrants into American life. Its literal meaning is a chemical one:

Download

Ebook

several different elements melted together to form a new product. The idea was that immigrants would fuse together with the "old"

Americans, giving up their old lifestyles and cultures to form one American nation. The motto "

Download

Ebook

"E pluribus unum" which still appears on American coins today, has been used since 1782, reflecting how even the early Americans saw their country. But does a multicultural society system like this really work? That's the main point I will try to

Download

Ebook

work out in my research paper. To get through this topic it needs to be defined very clearly what immigrations means in general and to describe briefly the immigration process from the early times till nowadays. This should be explained with

This book provides an analytical contribution to the contested issues marking Turkish membership to the European Union. On October 2005 Turkey started the accession process towards EU membership. Currently, many Europeans fear that

Download

Ebook

large numbers of Turkish nationals will flood member countries if Turkey were to become a member, highlighting that many Turkish immigrants have failed to integrate into their host societies due to cultural difference. Yet, others argue

Download

Ebook

that Turkey is a dynamic society with a growing educated population that could help address the dilemmas faced by most member countries, emphasizing that accession would assist the integration of current immigrants
