Introduction to Business Management 11e offers an overview of business management within the South African context. The textbook is written for undergraduate students who are doing a course in introductory business management as part of their degree or diploma at a university or university of technology.

Business: A Changing World is the fastest growing introductory business programs on the market, and for a simple reason: it carefully blends the right mix of coverage and applications to give students a firm grounding in business principles. Where other books have you sprinting through the semester to get everything in, Business: A Changing World allows breathing space to explore topics and incorporate additional activities important to you and your students. Built from the ground up, Business: A Changing World is for faculty and students who value a brief, flexible, integrated, and affordable resource that is exciting, applicable, and happening! What sets this fastest-growing learning program apart from the competition? An unrivaled mixture of exciting content and resources blended with application focused text and activities, and fresh topics and examples that show students what is happening in the world of business today!

Strategic Marketing Management (8th Edition) outlines the essentials of marketing theory and offers a structured approach to identifying, understanding, and solving marketing problems. This book delineates a comprehensive framework for articulating sound marketing strategies to guide business decisions involving product and service design, branding, pricing, sales promotion, communication, and distribution. The concepts, principles, and frameworks advanced in this book apply to a wide range of organizations, from startups to established market leaders, from packaged-goods manufacturers to value-added service providers, from nonprofit entities to for-profit corporations.

For courses in small business management, entrepreneurship, and new venture creation and/or management. The foundation to building a successful business Taking a practical, hands-on approach to entrepreneurship, this text equips students with the tools and critical-thinking skills they need for business success. Now in its 9th Edition, Essentials of Entrepreneurship and Small Business Management teaches students how to successfully launch and manage a business. By dissecting case studies, examining successes and failures in the context of the market, and observing the tactics used by today's most successful small business ventures, students can develop the skills that will give them a unique advantage in a hotly competitive environment.
