Tolstoy s enthralling epic depicts Russia s war with Napoleon and its effects on the lives of those caught up in the conflict. He creates some of the most vital and involving characters in literature as he follows the rise and fall of families in St Peter

When he arrived in Moscow in 1851, a young Leo Tolstoy set himself three immediate aims: to gamble, to marry, and to obtain a post. At that time he managed only the first. The writer's momentous life would be full of forced breaks and abrupt departures, from the death of his beloved parents and tortuous courtship to a deep spiritual crisis and an abandonment of the social class into which he had been born. He also made several attempts to break up with literature, but each time he returned to writing. In this original and comprehensive biography, Andrei Zorin skillfully pieces together the life of one of the greatest novelists of all time. He offers both an innovative account of Tolstoy's deepest feelings, emotions, and motives, as reflected in his personal diaries and letters, and a brilliant interpretation of his major works, including his celebrated novels on contemporary Russian society, War and Peace and Anna Karenina, and his significant philosophical writings.

Wonderfully wide-ranging and enjoyable, this outstanding collection features highly acclaimed short stories by Tolstoy who is regarded as one of the greatest writers in history. Among Russian writers, Leo Tolstoy is probably the best known to the Western world, largely because of War and Peace, his epic in prose, and Anna Karenina, one of the most splendid novels in any language. But during his long lifetime, Tolstoy also wrote enough shorter works to fill many volumes. The seven parts into which this book is divided include 'God Sees the Truth, but Waits' and 'A Prisoner in the Caucasus' which Tolstoy himself considered as his best. 'How Much Land Does a Man Need?' depicting the greed of a peasant for land; the most brilliantly told parable, 'Ivan the Fool'—these are all contained in this volume. The book includes an active table of contents for easy navigation. CONTENTS: PART 1 : FOLK-TALES RETOLD 1. The Godson 2. The Empty Drum 3. How Much Land does a Man Need? 4. The Repentant Sinner 5. Hailed as one of the greatest novels of all time and a classic of world literature, War and Peace is a tale of strivers in a world fraught with conflict, social and political change, and spiritual confusion, Tolstoy's magnificent work continues to entertain, enlighten, and inspire readers around the world. Both an intimate study of individual passions and an epic history of Russia and its people, 'War and Peace' is nothing more or less than a complete portrait of human existence. Among its many unforgettable characters is Prince Andrey Bolkonsky, a proud, dashing man who, despising the artifice of high society, joins the army to achieve glory. Badly wounded at Austerlitz, he begins to discover the emptiness of everything to which he has devoted himself. His death scene is considered one of the greatest passages in Russian literature. Terror swiftly engulfs the country as Napoleon's army marches on Russia, and the lives of three young people are changed forever. The stories of quixotic Pierre, cynical Andrey and impetuous Natasha interweave with a huge cast, from aristocrats and peasants, to soldiers and Napoleon himself. In War and Peace (1868-9), Tolstoy entwines grand themes—conflict and love, birth and death, free will and fate.

Tolstoy's art as represented in his greatest novels: War and Peace and Anna Karenina continues to absorb, fascinate and delight modern readers despite the lack of appeal of much of his later convictions. His great works continue to exercise a profound influence on the best imaginative writing. In our own time Vikram Seth's A Suitable Boy, clearly inspired by War and Peace, has deservedly become a world best seller. John Bayley concentrates in this short introductory study on Tolstoy's two great works and the ancillary texts and tales that relate to them. In elucidating the power and originality which are alive in those masterpieces Professor Bayley makes a compelling case for a return to the originals which will continue to captivate readers and draw them irresistibly into a uniquely spacious and complex world.

Selected Stories of Leo Tolstoy:The carriages began to roll away, and the birch-trees of the great avenue filed out of sight.I was not in the least depressed on this occasion, for my mind was not so much turned upon what I had left as upon what was awaiting me. In proportion as the various objects connected with the sad recollections which had recently filled my imagination receded behind me, those recollections lost their power, and gave place to a consolatory feeling of life, youthful vigour, freshness, and hope.
