product. Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of downloadable audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in

File Type PDF Mastering The American Accent

detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how

File Type PDF Mastering The American Accent

such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds.

A comprehensive accent reduction guide for self-study, including a book, an interactive CD-ROM, and 4 audio CDs. With a hard plastic media case.

Directed to speakers of English as a second language, a multi-media guide to pronouncing American English uses a "pure-sound" approach to speaking to help imitate the fluid ways of American speech.

A great training tool for classroom or for personal use! In recent years, Barron's American Accent Training has gained wide respect as a self-teaching program, but more and more speech trainers, teachers, and speech therapists report that they are also using it as a valuable teaching tool in their speech classes. This new edition now comes with downloadable audio. The program goes where no American accent training tool has gone before, providing highly innovative instruction for both students and business people. The structure of the book has been reorganized, offering students a much more clear and direct sequence of lessons and a path to better understanding The downloadable

Here's How to Do Accent Modification: A Manual for Speech-Language Pathologists is designed for speech-language pathologists (SLPs) working with clients on accent modification in American English. A growing number of non-native speakers are interested in improving their communication

File Type PDF Mastering The American Accent

skills and SLPs need preparation to work with this clientele. The text provides copious advice and many diverse techniques for teaching accent modification, from the level of basic sounds to the level of discourse. The text emphasizes realistic goal setting, so that clients focus on becoming effective communicators as opposed to sounding exactly like native speakers. The objective is a balance between clear and natural speech. Many SLPs favor intelligibility over naturalness because of their backgrounds working with speech delayed children, but with non-native speakers this often leads to unnatural speech and listeners focus on how something is said as opposed to what is said. Here's

File Type PDF Mastering The American Accent

How to Do Accent Modification is uniquely geared toward the skills and backgrounds of SLPs working with clients in a one-on-one setting, but is also an excellent introductory text for any English as a Second Language (ESL) teacher. Robert McKinney brings this unique perspective as a speech-language pathologist with degrees in both Communication Disorders and Teaching English as a Second Language. Also included with the text are numerous practical activities and worksheets for working with clients. The ebook includes audio files and video clips to demonstrate working with non-native speakers.
