Trot, prance, and jump with ponies! Young readers will meet lots of different kinds of ponies and learn what they do. Through text features such as the vocabulary tree and the wrap-up activity, kids will be introduced to vocabulary in concept groups—helping them make connections between words and expand their understanding of the world.

"Information about horses for children learning to read"--

Calling all pony lovers, horse fanatics, and bookworms! Trot through 100 enchanting equine facts in this new leveled reader, perfect for fluent readers. Packed with weird-but-true facts and tons of equestrian animal info, this Level 3 Reader gallops right into the world of horses—from wild ponies to superstar racers to the shared history of humans and horses. National Geographic Fact Readers feature the same expert-vetted running text as traditional readers—with a bonus of 100 fun facts spread throughout the book! A fact roundup at the end of each book lets kids review what they've learned. (Plus, they can impress their friends with their stallion smarts!)

National Geographic Primary Readers is a high-interest series of beginning reading books that have been developed in consultation with education experts. The books pair magnificent National Geographic photographs with lively text by skilled children's book authors across four reading levels. Level 1: Early readerThese books contain simple sentences and are just right for kids who can decode with ease and are beginning to read fluently. They are ideal for readers of Yellow and Blue banded books. From Welsh mountain ponies to Shetland ponies, young readers will learn all about these beautiful animals in this Level 1 books. Told in simple yet lively text, Trot, Pony! will enchant kids who are just beginning their reading journey.

The latest edition of Pamela Farris's popular, value-priced text continues to offer pre- and in-service teachers creative strategies and proven techniques sensitive to the needs of all elementary and middle school learners. Coverage includes the C3 Framework and the four sets of learning from the National Curriculum Standards for Social Studies. Farris, together with contributors who specialize in implementing successful teaching methods and theories, demonstrate how classroom teachers can excite and inspire their students to be engaged learners.
