Dominic "Bull" Walker is used to the simpler things in life. Give him his own land to work, a strong horse, and twelve hours of daylight, and he is a contented man. But when someone threatens to take away the successful ranch that took him two years to rebuild, he'll accept any help he can get to defend it. Mandel "Fox" Tucker is a sixth-

generation SWAT soldier. It's embedded in his bones to protect and serve his community. So when he gets word of the vandalism occurring on the Walker Ranch, he quickly volunteers the free time he has, thanks to his recent suspension. The brief visit Fox had with Bull four months ago had been a contentious-but powerful-encounter.

Therefore, he's not surprised when he shows up on his doorstep unannounced and has to pull out some of his best tricks to get past the six-foot-four, stubborn Texan. Fox is only there to safeguard what's most important to Bull. But being on the ranch brings an awareness to him that he embraces with both hands. Nature, peace... love-things he never

found in the city. This book contains the love story of two new characters. It is a part of a series but can be read as a standalone. There are no multiple pairings or sharing. Ends in a very HEA. Trigger Warning: Mild police violence. Scenes are not graphic.

Lennox Freeman (Free) is one of the best

hackers in the world which has caused him to spend most of his life on the run. Never able to put down roots, he couldn't trust anyone not to take advantage of him, even his own family. If it wasn't for his best friend, Tech, shielding him, Free's father would've sold him and his skills to the highest bidding crime family when he was still a student at

MIT. Free owed Tech his life; so when his friend called for him to come to Atlanta to work with him, he couldn't say no.

However, he wasn't expecting the overprotective group of detectives that made up Atlanta PD's most notorious task force.

And he certainly wasn't prepared for the large-and-in-charge SWAT Captain that

was responsible for their safety. Ivan Hart has lived and bled one creed all of his life: To Serve and Protect. His intense focus and determination in law enforcement has led him to finally commanding his own team. He'd worked hard to put together a squad of badasses capable of backing up a very dangerous team of detectives. Being God

and Day's last line of defense came with a lot of responsibility that he took very seriously. After his divorce was final Hart turned right around and remarried his job. He had his good friends there in the office with him every day, so it was easier to ignore the few quiet hours he spent at home alone each night. He'd settled well into his new routine

and was comfortable with it. Then God decided to disrupt everything by hiring another tech specialist for his department. A man whose brains, trendy looks, and voice would leave Hart tongue-tied and captivated at their first introduction. Free quickly awakens a passion in Hart that he long thought was dead. An attraction he didn't

know existed. He couldn't fathom that the sexy cyber genius could be interested in an over-sized, big-bearded brute that served criminals the bottom line for a living. No matter what his best friend, God said. A future with Hart could be potentially dangerous and often times full of terrifyingly close calls; but little did he know that so

Police Lieutenants, God and Day are under intense pressure from the chief to take back control of Atlanta's streets. The last thing their task force needs is a pair of trained killers in town with a personal score to settle. Take a man and strip him of his ability to feel compassion, empathy, remorse, or any of the emotions that make him human, but

leave the ones that ignite rage and aggression and you have the perfect killing machine- now imagine two of them. Code names Ex and Meridian are synonymous for 'guaranteed death' to international terrorists. Two broken men from the same crooked streets, recruited into an unsanctioned government program that few know about.

Trained to operate most efficiently-lethally-together. When Ex returns from an op in Bolivia to learn his little brother has been accidentally killed in a feud between drug gangs, he's stateside before he can consider the rules he'll be breaking, and of course Meridian is right beside him. There's mayhem on the streets of Atlanta and the

police are losing control. If Godfrey and his elite team of detectives can't get the job done then they'd be happy to lighten their caseloads for them. And Ex nor Meridian care about doing it quietly. "I know who you are." The man grunted when Ex turned to leave. "You're the fucking devil." Meridian walked past, glaring one final time. "Say that

A bounty hunter's partners to lovers' story.

The hunt is on... and he's the prey. Bradford (Ford) King was sure he had the rest of his life mapped out. Though he was no longer a SEAL Lieutenant, his brother was home safe and he had a job that still allowed him to satisfy his hunger for hunting bad guys. Life was simple, no distractions or complications - at age forty-six - that's all Ford wanted.

Download Free Nothing Special 1 Ae Via

What he didn't want was his work partner, sniper/watchman, Dana, giving him s**t all the time. Dana Cadby had grown up labeled a roughneck from the wrong side of the tracks. He'd fought, scrounged, and survived despite a father that constantly told him he couldn't. Dana pulled himself up by his own boot straps and made a name for

Download Free Nothing Special 1 Ae Via

himself in the marksman community. He'd been Duke's bounty watchman for five years. It was his job to ensure their safety, watch their backs. At thirty-three, he was trusted, well respected by his peers, his bosses, his friends... so why couldn't he earn the same respect from his partner? Dana knew he was bisexual before he graduated

Download Free Nothing Special 1 Ae Via

high school. He also knew he was attracted to the huge, 6'3", SEAL from the moment he and his brother came to join their team. It wasn't easy for him to tamp down his immediate reaction to Ford's thick muscles, full beard, and dark eyes. Still, Dana exhibited nothing but professionalism towards him, not wanting to make his

Download Free Nothing Special 1 Ae Via

'straight' partner uncomfortable. So why did Ford constantly give him hell? After Dana took back his ex-girlfriend, he'd noticed an intensification in Ford's bad attitude. One that turned aggressive and downright antagonistic, and Dana was damned if he'd just lay down and take it. He was gonna make that man respect him if it was the last

thing he did. When Duke sends Dana and Ford out to track down their most dangerous bounty yet, they both embrace the fact that they make one hell of a team... but they fight tooth and nail against the powerful intimacy brewing between them. Beware: If Ford and Dana connect completely, god help the fugitive who's in

the sights of the hunter and his watchman. This story is a part of a series but can stand alone. It does not end on a cliffhanger and has a HEA.

Duke Webb has run the most successful bail recovery agency in Atlanta for over twenty years. That's because he has a team of

Download Free Nothing Special 1 Ae Via

trained, competent hunters backing him up to keep his name feared on the streets. But Duke knows that nothing can go on forever. His hunters are in committed relationships and ready to settle down, and so is he. That's what leads him to start his new training program. "That's the new vision for Dukes. Veterans operating and tracking behind the

scenes with a new powerhouse apprehension team on the streets." Brian and Quick are the first to offer up two new recruits. Kellam Knight has studied martial arts under his sensei, Quick, since he was eight years old. A tossed-out reject from high-society, Kell has a problem fighting on the right side of the law. If he sees an

Download Free Nothing Special 1 Ae Via

injustice, he has to correct it. He doesn't have to run and cower from his enemies anymore, he's a fighter who can protect himself and others. When Quick offers Kell the opportunity to join Duke's training program, he's all in. Except he's not prepared for the straight, over-confident, extremely disciplined, sexy man Brian has

Download Free Nothing Special 1 Ae Via

recruited to be his partner. Tyrell Jenkins' world was flipped upside down when his father never returned home from his last deployment. He'd been Ty's teacher, mentor, his guide to living a righteous life as a good man. His father didn't raise him to be like every other young, stereotypical male in Atlanta. Instead, he's been taught to be

Download Free Nothing Special 1 Ae Via

respectful, to speak the language of real men. When Brian King - his father's most trusted comrade - finally comes to him with the truth, he doesn't come alone. He comes with trained men hidden in the shadows... and a once-in-a-lifetime opportunity to join a brotherhood unlike any other. This installment is a part of a series and contains

Download Free Nothing Special 1 Ae Via

previously mentioned characters, but CAN stand alone. Each book centers around a new couple. This book ends in a HEA. NO cliffhanger.

Brian King was honorably discharged from

Download Free Nothing Special 1 Ae Via

the United States Navy five years ago. He'd left with the highest honors a man can receive in his country, but he'd paid the ultimate price to earn them. He was considered one of the best; an Intelligence Officer in a Joint Special Operations Delta team that'd been a twelve-man wrecking crew. They'd thought they were invincible...

Download Free Nothing Special 1 Ae Via

until they weren't. Brian was the only member that survived the ambush. He survived ten months of pain, of torture, only to emerge on the other side a warrior. A POW survivor. He'd returned home with all his limbs, his right mind, and with his only brother Ford, at his side. But, one thing had been lost, maybe for good... his voice. Now,

Download Free Nothing Special 1 Ae Via

being a bounty hunter is Brian's only means to satisfy his need to calculate, track, and capture. His only outlet to the stress caused by his silence. He was good at what he did. But, all work and no play for a forty-four year old man was taking its toll. Brian wasn't a faulty experiment. He missed companionship, he missed communicating.

Download Free Nothing Special 1 Ae Via

So, when he met Sway Hamilton - in the most unconventional means - he'd been surprised at his special way of understanding Brian's every look... and touch. Sway grew up in the rough part of ATL, trailing behind his twin brother Stanton and his best friend, Dana. He and his brother had a bond only twins could understand. So when Stanton's

Download Free Nothing Special 1 Ae Via

life was taken during their sophomore year in college, Sway didn't think he'd ever recover. He finally finished school, got his masters in nursing, worked hard, and focused on taking care of his mother.

However, Sway knew there was more to life than heartache, and caring for others. There had to be. But he didn't know what any of

Download Free Nothing Special 1 Ae Via

those things were until he met a dark hunter that blew his mind... and the intense man had never uttered a single word. Brian and Sway can feel the powerful connection between them. It was there from the start- but both of them have battled with loss and anguish for so long, neither understand that love can ease all of it. Do they have the

Download Free Nothing Special 1 Ae Via

courage to battle through it together? Sway has to learn to trust in love, and Brian has to believe that Sway will always understand him even if he never speaks again.

Duke Morgan owns and operates one of the largest bail bond companies in Atlanta. Not only does he bond criminals out of jail, he

Download Free Nothing Special 1 Ae Via

and his notorious group of bounty hunters will also track them down and ensure they show up for court. Roman 'Quick' Webb is Duke's business partner and best friend.

Both men are in their forties and have given up on the happily ever after with the ranch-style home, and white picket fence. They'd both tried it and failed miserably. But they

Download Free Nothing Special 1 Ae Via

have their friendship and they have the business. When Quick's son, Vaughan Webb returns - after seven years - from studying abroad with his law degree in hand, he's back to claim what he's always wanted...his fathers' best friend... Duke Morgan. Vaughan has always claimed to be a classic gentleman with an old soul. He

Download Free Nothing Special 1 Ae Via

didn't party and screw up in school like his buddies. He was focused and dedicated to becoming the man worthy of Duke's love. It's a complex and messy situation as Duke and Quick figure out how to still be best friends when one of them is sleeping with his friend's one and only son. But when Duke is hurt on the job, all the unimportant

Download Free Nothing Special 1 Ae Via

trivialities fall to the wayside and Vaughan and Quick put their heads together to save Duke. Part I of the Promises story is about Duke and Vaughan. Part II will be about Quick and his realization that it's not too late for any of them to find love.
