An innovative, five-level beginner's course for young learners from the age of 10. Tried, tested, trusted ... and now even better!

This new edition of Tom Hutchinson's bestselling course combines all the aspects that students and teachers loved from the previous edition with exciting new digital components, extra resources and more teacher support than ever before. Your students will love watching the new animated Mickey, Millie and Mut and Sweet Sue and Smart Alex cartoons. In later levels of the course the cartoons are replaced with dramatized episodes of Kids, the photo-story from the Student's Book. For your kinesthetic learners there are new fun total/physical response pronunciation activities in the pronunciation bank at the back of the Student's Book. Other students will enjoy reading the stories in the extensive reading bank. And you will love all the teacher support available with Project fourth edition. Use digital resources more effectively in your lessons with the digital workshops that give you step by step guides to using some of the most educationally beneficial sites on the internet as well as ideas for how you can use them with the projects in the Student's Book.

Project third edition is a five-level primary and secondary English course, trusted by teachers and loved by students worldwide.
