Bhagat Singh spent the last two years of his life in jail, awaiting execution. During this time, he and his comrades fought one of the most celebrated court battles in the annals of national liberation struggles, and used the court as a vehicle for the propagation of their revolutionary message. They also struggled against the inhuman conditions in the colonial jail, and faced torture and pain. Their heroism made them icons and figures of inspiration for generations to come. All this is well-known. What is not so well-known is that Bhagat Singh wrote four books in jail. Although they were smuggled out, they were destroyed and are lost forever. What survived was a Notebook that the young martyr kept in jail, full of notes and jottings from what he was reading. In the year of his birth centenary, LeftWord is proud to present his Notebook in an elegant edition. This edition has been checked against the copy preserved in the National Archives of India. The Notebook is richly annotated by Bhupender Hooja; and the annotations have been revised and updated for this edition. Also included are the most important texts that Bhagat Singh wrote in jail, Chaman Lal's lucid introduction, the New York Daily Worker's reports and Periyar's editorial on the hanging.

In Volume Four of “ It Is The Same Light ” series (SGGS pages 601-800), author Daljit Singh Jawa continues to share the beauty of the SGGS with those who have limited familiarity with the language (Gurmukhi), history, or context. The following are some of the comments received on volume 1 of this series. “ This translation of Guru Granth Sahib is one of the best English translations in my view, as it is in simple understandable English, each shabad ’ s summary message is given, there is connection between the shabads to reveal continuity of thought process in Guru ji ’ s message. Thanks to S Daljit Singh ji for the great work which will benefit future generations understand Guru Ji ’ s message easily. ” -Amarjit Singh, M.D., University at Buffalo, Buffalo, New York “ A monumental undertaking, reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts. Both its rendition of the original Gurmukhi script, with accompanying English transliteration, and its erudite commentary on each of the Granth ’ s many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general. ” -Barry Crawford, Ph.D., Washburn University, Topeka, Kansas

This book presents interpretation of Jap-u, reverently called Japji Sahib, the first composition in Sri Guru Granth Sahib. It is in two parts, the first containing short essays on the main themes and the second stanza-wise interpretation with original Punjabi and English transliteration. The book brings out the principles of a

An important aspect of any Sikh religious service is the reading from the Guru Granth or taking Hukam Nama. The Guru Granth Sahib is a hefty tome of 1,430 pages. Sikh tradition is that from roughly the middle half of the Guru Granth, usually at the beginning of a randomly selected page (or the previous page if the hymn started there), one hymn is selected. This is read as the Hukam Nama or the Order of the Day. Clearly, many Sikhs living outside the Punjabi ambience would have great difficulty figuring out its meaning.

Since antiquity, people have been asking themselves what it means to live a good life. How should I live? What constitutes a good life? What's the role of fate? What's the role of money? Is leading a good life a question of mindset, or is it more about reaching your goals? Is it better to actively seek happiness or to avoid unhappiness? Each generation poses these questions anew, and somehow the answers are always fundamentally disappointing. Why? Because we're constantly searching for a single principle, a single tenet, a single rule. Yet this holy grail--a single, simple path to happiness--doesn't exist. Rolf Dobelli -- successful businessman, founder of the TED-style ideas conference Zurich Minds, bestselling author, and all-around seeker of big ideas--has made finding a shortcut to happiness his life's mission.
