insomnia, coughing fits that left him vomiting blood, and an inability to eat—he made a deal with God. On the night before the 2011 ICC Cricket World Cup final, Yuvraj prayed for the World Cup in return for anything God wanted. In this book, he lays bare his fears, doubts, and the lows he experienced during chemotherapy—when he lost his energy, his appetite, and his hair—and his battle to find the will to survive. Poignant, personal, and moving—The test of my life—is about cancer and cricket; but more importantly, it is about the human will to fight adversity and triumph despite all odds.

Autobiography of an Indian cricket player.

At 11.47pm on July 25th 1978, Louise Brown was the first person ever to be born through science rather than as the result of two people having sex. The birth was hailed as a "miracle" by the world's media, making her instantly famous. For the first time Louise tells the story of her world changing birth and its impact on her life. The book contains many family photographs and letters which have never been published before. It was written by Louise with her long-term publicist Martin Powell of Empica PR.

Eighteen years, eight series, eight defeats. These are the facts. I look around the room. We're a young team. Strauss, Flintoff, Vaughan, the new guy, Kevin Pietersen. None of us remember England holding the Ashes. We are a generation that have grown up in Australia's shadow. In 2005 Simon Jones took part in the greatest Ashes series of all time. As a devastating fast bowler in a brave young England team, Jones went toe to toe with the might of the seemingly unbeatable Australians. Over the course of 54 days Simon would experience the greatest highs of his career, and plunge to the lowest depths. The series would change his life forever. In chapters that alternate between an unforgettable, insider's account of each of the five Tests and the remainder of his life, Simon presents the raw and unvarnished truth behind international sport; the joy and the sacrifice, the physical and mental cost, and the unrelenting pressure. Heroes emerge, and cricketing legends are made human.

From being Champion of Champions to one of the world's top cricket commentators to Team India's head coach, Ravi Shastri has an incomparable perspective when it comes to the game of cricket. In Stargazing: The Players in My Life, the legendary all-rounder looks back at the extraordinary talent he has encountered over the years. Who is the former Indian captain who didn't do full justice to his talent? Or that bruising bowler who went on to become a best friend? What was the most important lesson the legendary Clive Llyod taught him? How does Shastri set aside his personal bond with Virat Kohli in his role as coach? Full of never-before-revealed anecdotes, Stargazing, co-written with Ayaz Memon and featuring illustrations by Shiva Rao, offers a glimpse into how champions from across the globe have inspired one of the world's greatest ODI players and Team India's most successful Test cricket coach.

Glenn McGrath is an Australian cricket great - a fast bowler both feared and admired by top-level cricketers around the world. Off the field, his life was touched by tragedy with the death of his first wife, Jane, from breast cancer, yet also marked by a determination to celebrate her life and make sure her legacy helps thousands of others through the Jane McGrath Foundation - now one of Australia's biggest and most effective breast cancer charities. In Test of Will, Glenn gives us an insight into the things that have shaped him both in and out of

cricket. He writes about his classic cricketing duels, bowling against master batsmen like Tendulkar and Lara. He shares his great moments, and describes the influence of such legends of the game as Steve Waugh and Shane Warne, and what he learned from them. And away from cricket he writes candidly about finding love with Sara after the tragedy of losing Jane. He relates his experiences starting the McGrath Foundation and the enormous impact it's had on many people's lives. He writes about the annual Pink Test in Sydney, how it came about and what it means to him. And he expresses his thoughts on fatherhood, and the joy and responsibilities of raising his three children. This is Glenn reflecting on the lessons he learned from his career and his life in a way that's open, honest and utterly fascinating.

Classic stories from the Wally McDoogie series now with new designs and spot illustrations throughout. Forty feet underwater with a million dollars of gold in reach, Wally McDoogie only has to overcome: Sea monsters. . . Hostile pirates. . . A ghost ship. . . And, of course, the world famous McDoogie klutziness. Will he be able to avoid catastrophe and chaos? Probably not. Just as our hero goes for the gold, he finds himself on a wild ride atop a misguided torpedo and realizes the true cost of greed.

For over forty years, Rebbitzen Esther Jungreis has been a globetrotting spokeswoman for Judaism. Whether counseling a searching soul or addressing a packed house in Madison Square Garden, her message is elegantly universal. In *Life Is A Test*, the Rebbitzen's insights on faith, her soul-stirring wisdom, and her palpable love of all people saturate every page. *Life Is A Test* is really three books in one, each bearing a particular focus to help readers look for the message embedded in any difficulty. The book begins with tests of self-discovery and then examines the challenging realm of interpersonal relationships, concluding with a section on perceiving the Divine Design in the big picture of global events, as well as in one's own world. Regardless of age or experience, people of all persuasions will find meaningful substance in *Life Is A Test*. Rebbitzen Jungreis has captured so many of our deep-seated questions, and has graciously provided us with a decipherable answer key.

From the USA Today bestselling author of *The Kiss Quotient* comes a romantic novel about love that crosses international borders and all boundaries of the heart... Khai Diep has no feelings. Well, he feels irritation when people move his things or contentment when ledgers balance down to the penny, but not big, important emotions—like grief. And love. He thinks he's defective. His family knows better—that his autism means he just processes emotions differently. When he steadfastly avoids relationships, his mother takes matters into her own hands and returns to Vietnam to find him the perfect bride. As a mixed-race girl living in the slums of Ho Chi Minh City, Esme Tran has always felt out of place. When the opportunity arises to come to America and meet a potential husband, she can't turn it down, thinking this could be the break her family needs. Seducing Khai, however, doesn't go as planned. Esme's lessons in love seem to be working...but only on herself. She's hopelessly smitten with a man who's convinced he can never return her affection. With Esme's time in the United States dwindling, Khai is forced to understand he's been wrong all along. And there's more than one way to love.
