Whoever dares to seek the Firebird may find the journey—and its ending—unexpected. Nicola Marter was born with a gift. When she touches an object, she sometimes sees images; glimpses of those who have owned it before. It's never been a gift she wants, and she keeps it a secret from most people, including her practical boss Sebastian, one of London's premier dealers in Russian art. But when a woman offers Sebastian a small wooden carving for sale, claiming it belonged to Russia's Empress Catherine, it's a problem.

## Read Free The Firebird Book

There's no proof. Sebastian believes that the plain carving—known as “The Firebird”—is worthless. But Nicola's held it, and she knows the woman is telling the truth, and is in desperate need of the money the sale of the heirloom could bring. Compelled to help, Nicola turns to a man she once left, and still loves: Rob McMorran, whose own psychic gifts are far greater than hers. With Rob to help her “see” the past, she follows a young girl named Anna from Scotland to Belgium and on into Russia. There, in St. Petersburg—the once-glimmering capital of Peter the Great's Russia—Nicola and Rob unearth a tale of love and sacrifice, of courage and redemption... an old story that seems personal and small, perhaps, against the greater backdrops of the Jacobite and Russian courts, but one that will forever change their lives.

run the family store, become a bold and daring poet whose life and work helped change the idea of love in modern Japan? Embracing the Firebird is the first book-length study in English of the early life and work of Yosano Akiko (1879-1942), the most famous post-classical woman poet of Japan. It follows Akiko, who was born into a merchant family in the port city of Sakai near Osaka, from earliest childhood to her twenties, charting the slow process of development before the seemingly sudden metamorphosis. Akiko's later poetry has now begun to win long-overdue recognition, but in terms of literary history the impact of *Midaregami* (Tangled Hair, 1901), her first book, still overshadows everything else she wrote, for it brought individualism to traditional tanka poetry with a tempestuous force and passion found in no other work of the period. Embracing the Firebird traces Akiko's emotional and artistic

development up to the publication of this seminal work, which became a classic of modern Japanese poetry and marked the starting point of Akiko's forty-year-long career as a writer. It then examines Tangled Hair itself, the characteristics that make it a unified work of art, and its originality. The study throughout includes Janine Beichman's elegant translations of poems by Yosano Akiko (both those included in Tangled Hair and those not), as well as poems by contemporaries such as Yosano Tekkan, Yamakawa Tomiko, and others.
