'The Gathering' is set in the same world as Kelley Armstrong's previous young adult trilogy 'The Darkest Powers', but both books share only the ideas, not the characters. At least in this volume. I may not fall into the target audience, being several decades too old, but I still can unleash my inner teenager and can thoroughly enjoy a well-written, urban fantasy novel aimed at this age bracket.

The Gathering starts this
trilogy out rather slow. I
think that is just Kelley
Armstrong's style. I have to
admit I am a long time fan
having read about 14 of her
books. Her adult Women of
the Otherworld series is one
of my favorite urban fantasy
series. So she does take
awhile to rev things up. I
thought The Gathering was
going to be different.
