Ali Novak is a young author. From the few novels she has written you can tell that her targeted audience is YA. Despite not being a YA myself, I still enjoyed the lightness of this book. It is definitely not an in depth novel, but that's what I liked about it. It was exactly what I needed at this time.

She never meant to fall for a rock star When Stella's sister is diagnosed with leukemia, she puts her college dreams on hold to move home and be with her family. With Cara's birthday approaching, Stella wants to get her the perfect gift--an autographed poster of her sister's favorite (and Stella's least favorite) band, *The Heartbreakers*. So when the cute boy she meets at a coffee shop turns out to be Oliver Perry, the band's lead singer, she figures that's just about her luck. Stella's 100% committed to Cara, but she can't get Oliver out of her head. If she gives him a chance, will she resent him for taking her attention away from her sister--or will he help her find the courage to live her own life?

"Swoon worthy! I fell in love with Oliver Perry so fast! This book is feels inducing...I loved every single page!" —Anna Todd, New York Times bestselling author of the *After* series "When I met Oliver Perry, I had no clue he was the lead singer for *The Heartbreakers*. And he had no idea that I was the only girl in the world who hated his music." Stella will do anything for her sick sister, Cara-even stand in line for an autographed *Heartbreakers* CD...for four hours. She's totally winning best birthday gift this year. At least she met a cute boy with soft brown hair and gorgeous blue eyes while getting her caffeine fix. Too bad she'll never see him again. Except, Stella's life has suddenly turned into a cheesy love song. Because Starbucks Boy is Oliver Perry lead singer for the *Heartbreakers*. And even after she calls his music crap,

Oliver still gives Stella his phone number. And whispers quotes from her favorite Disney movie in her ear. OMG, what is her life? But how can Stella even think about being with Oliver dating and laughing and pulling pranks with the band when her sister could be dying of cancer? Ali Novak wrote her debut novel *My Life with the Walter Boys* when she was just 15 years old, and has since penned her next book, *The Heartbreakers*. First a hit on the online community Wattpad, her second novel has over 38 million reads and is loved by readers around the world. "When I wasn't reading this book, it was all I wanted to be doing. Adorably romantic and fun! I loved it." —Kasie West author of *The Distance Between Us*

OGNI STORIA D'AMORE HA LA SUA CANZONE. A VOLTE, ANCORA TUTTA DA SCRIVERE.

"I'm sorry," he said, slowly untying the ribbon that held his mask in place. "It's just-I didn't want you to think of me any differently." Somehow I kept my mouth from falling open. I knew his face, but my mind couldn't accept that he was the person looking down at me. "My real name is Alec." Felicity has her entire future planned. Ever since her older sister ran away, she's had the full weight of her mother's expectations on her shoulders. So she works hard to get straight As and save for college. Except sometimes the best things in life are unplanned-like when Felicity meets a handsome, masked stranger while she is volunteering at a charity masquerade ball. She never thought he'd flirt with her. And she certainly never thought he'd turn out to be a member of the world-famous Heartbreakers band, Alec. Then Felicity uncovers a shocking family secret. Suddenly, she, Alec, and her two best friends are off on a road trip to find Felicity's missing sister. And she's about to discover that unexpected turns have a peculiar way of landing her right where she needs to be...

Jackie Howard has always been prim, proper, and perfect. But when her world is turned upside down by tragedy, Jackie must learn to cut loose and be part of a family again. Jackie does not like surprises. Chaos is the enemy! The best way to get her successful, busy parents to notice her is to be perfect. The perfect look, the perfect grades—the perfect daughter. And then... Surprise #1: Jackie's family dies in a freak car accident. Surprise #2: Jackie has to move cross-country to live with the Walters—her new guardians. Surprise #3: The Walters have twelve sons. (Well, eleven, but Parker acts like a boy anyway) Now Jackie must trade in her Type A personality and New York City apartment for a Colorado ranch and all the wild Walter boys who come with it. Jackie is surrounded by the enemy—loud, dirty, annoying boys who have no concept of personal space. Okay, several of the oldest guys are flat-out gorgeous. But still annoying. She's not stuck-up or boring—no matter what they say. But proving it is another matter. How can she fit in and move on when she needs to keep her parents' memory alive by living up to the promise of perfect?

An exclusive collection of new modern tales with a fantastical twist, from some of the most beloved writers on Wattpad. Discover this anthology of everyday stories influenced by fairytales and mythology—from ten Wattpad authors, all voted by the site's users, featuring your favorite celebrities, all with a touch of fantasy and whimsy. The Scions are the four richest, most powerful guys at Valesca Academy, and they rule the school with iron fists. Everyone wants to date them or be them...everyone, that is, except Maya Lindberg, who just wants to avoid them until she can graduate. She almost succeeds, until an ill-advised outburst puts her right in the Scions' path. Just like that, one becomes her fake boyfriend, one her unwanted matchmaker, one her guardian angel, and the one she can't stand the most? Yeah, he's her new housemate. Is she happy about it? Hell no. *All I've Never Wanted* is a romantic comedy about what happens when a girl gets everything she never asked for, including a puppy, a new wardrobe, and, possibly, even true love.

When she was nine, Megan Meade met a group of terrible, mean, Popsicle-goo-covered boys, the sons of her father's friend -- the McGowan boys. Now, seven years later, Megan's army doctor parents are shipping off to Korea and Megan is being sent to live with the little monsters, who are older now and quite different than she remembered them. Living in a house with seven boys will give Megan, who has never even been kissed, the perfect opportunity to learn everything there is to know about boys. And she'll send all her notes to her best friend, Tracy, in... *Megan Meade's Guide to the McGowan Boys*
Observation #1: Being an army brat sucks. Except that this is definitely a better alternative to moving to Korea. Observation #2: Forget evil, laughing, little monsters. These guys have been touched by the Abercrombie gods. They are a blur of toned, suntanned perfection. Observation #3: I need a lock on my door. STAT. Observation #4: Three words: six-pack abs. Observation #5: Do not even get me started on the state of the bathroom. I'm thinking of calling in a hazmat team. Seriously. Observation #6: These boys know how to make enemies. Big time. Megan Meade will have to juggle a new school, a new family, a new crush -- on the boy next door, as in next bedroom door -- and a new life. Will she survive the McGowan boys?
