This publication, compiled by the Driving Standards Agency, sets out official guidance on the standards required to complete the five modules of the Compulsory Basic Training (CBT) course and to pass the practical test for motorcyclists. It supersedes the publication 'Official motorcycling: CBT, theory and practical test' (4th ed., 2003, ISBN 011552519X).

This is the industry-standard driving manual. It is focussed on you, the driver, and explains how to get the most enjoyment from your driving with the correct attitude, behaviour and skills. The Official DSA Guide to Driving - the essential skills, together with The Official Highway Code and Know Your Traffic Signs, provides the source material for learner car driver and driving instructor theory tests, being referenced throughout with the latest official DSA theory test titles for car drivers.

The official guide which explains the standards required to pass today's practical driving test. Most people fail their driving test because they are not prepared. 'The Official DSA Guide to Learning to Drive' will help the learner and anyone helping someone learn to drive by explaining the standard required for each key skill examined within the driving test. This new edition will help the person sitting in the passenger

seat understand what the learner needs to practise and the potential hazards they may encounter. The aim is to make sure that the learner is capable of driving safely and confidently, without prompting from an instructor, before they take their test.

This book is designed to help drivers acquire the skills needed to improve their driving and keep safe on the road. It contains the latest information including guidance on: driver responsibility, attitude and the law; techniques for driving on motorways, at night and in all-weathers; manoeuvring and defensive driving techniques; basic maintenance, breakdowns and towing; eco-safe driving; avoiding congestion; accidents and emergencies; vehicle security; and driving in Europe.

This publication is the official theory test book for car drivers, compiled by the Driver and Vehicle Standards Agency. It contains multiple choice questions from the whole theory test question bank, with answers and explanations, dealing with topics such as: alertness and attitude, vehicle safety and handling, safety margins, hazard awareness, vulnerable road users, motorway rules and rules of the road, road and traffic signs, documents, accidents, and vehicle loading.

Better Driving will help you to improve your driving and boost your confidence. Discover how emotions, attitude and behaviour can affect your driving. Learn how to manage stress and anxiety through real-life scenarios and test-yourself questionnaires.

Specialist or unusual vehicles covered by this book include tractors, three-wheeled cars, trikes, road rollers, track-laying vehicles, mowing machines and pedestrian-controlled vehicles. It includes guidance on: what to do before the test; test requirements; different categories of vehicle; skills required; faults to avoid; large, heavy and slow vehicles

This official book is specifically designed to help prepare goods vehicle drivers for their Driver Certificate of Professional Competence (Driver CPC) test. The book focuses on case studies and vehicle safety demonstrations..
