Leah has been trying for years to get rid of her competition, and all her crazy scheming has finally paid off—or so she thinks. Now that YaYa is out of the picture, she's ready to step into her shoes and have the life she always dreamed of. The scars that she earned in the fire almost seem worth it if they mean she'll finally be able to have all the money, the family, and most importantly, to have Indie's love to herself. There's only one problem. Disaya Morgan isn't dead. She survived the fire too, and she's healing under the watchful eye of one very powerful woman who's ready to help put YaYa on top. With her newfound connections, YaYa could have Leah taken out with the snap of her fingers—but that's not good enough for her. The only way YaYa can battle the demons that are still haunting her is to finish Leah off herself. YaYa is out for blood. There can only be one winner, and these two are on a collision course that could send one of them straight to hell. Ashley Antoinette is back and better than ever with the third installment of The Prada Plan series. A case of mistaken identity left readers reeling at the end of part 2, but part 3 is a heart-pounding saga that will leave you breathless.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "The Prada Plan 3: Green Eyed Monster." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

In this explosive addition to the New York Times bestselling series, Ashley Antoinette brings you pain, pleasure, love, hate, as YaYa struggles to hold it all together before life blows up in her face, in The Prada Plan 5. Disaya finally has it all. The man she fought for is hers at last. Her name is Mrs. Indie Perkins and their daughter is safe. Leah is gone. Life is supposed to be good. So why isn ' t she satisfied? Why does life suddenly seem so bitter? YaYa ' s Prada Plan had worked but with the riches comes pain. She and Indie have grown apart, and with Parker now a permanent fixture in their lives, Indie is pressured to juggle it all. But YaYa ' s patience is running thin. Indie is loving her wrong. Her life isn ' t what she wants. Her Prada Plan has changed...and now, it ' s time to pursue a plan B in order to get what she really wants...

The Red Bottom Bandits may be the world's most fashion-forward gang of masked outlaws. They're the talk of D.C. for their daring robberies and fly gear. And their latest caper is penned by Ashley Antoinette (of Ashley & JaQuavis) at her sultry, streetwise best. When the innocent, naïve Gucci recognizes ringleader Sunny Raegan during a holdup, that's her "in" with the Bandits. Knowing she's got a lot more beauty than brains, Gucci sees the gang as her meal ticket. More likely, they'll be her ticket to the morgue! The Bandits may be lawless, but they play by a few simple rules: Get in and get out. . .shoot first and ask questions later. . .never leave without the money. . .and innocent people don't get hurt. But it's only a matter of time before all these rules get broken—and that's when Gucci gets caught! If there's one thing a girl needs, it's a little help from her friends. But her "friends" have skipped town without giving her a second thought. And Sunny is distracted by her new baby and her violent ex-lover. So Gucci's on her own. She's on trial for her life, and she must decide whether to snitch on the girls—or take the fall all by herself. Whichever she chooses, it may be her death sentence.

Bleu Montclair knew as a young girl that she would one day escape the hard, unrelenting streets of Flint, Michigan, and when her desperate prayers are answered in the form of a scholarship to UCLA, she knows she's struck gold. But soon after she arrives there, all her beautiful dreams begin to fall apart. Endless temptations abound in the form of cars, clothes, booze and drugs, and Bleu cannot keep up. When her roommate gives her the opportunity to make a lot of money fast, Bleu goes all in - and heads straight down a path of violence and addiction that only her newest protector, Iman, can save her from. Iman is used to the fast, unpredictable, high-rolling life, and it's always been enough . . . until he meets Bleu. He finally has something and someone to care for that means more to him than all the money and power he could ever command. Love in the streets is never easy . . . and there is more than one way to get hurt. Praise for Ashley Antoinette: 'Caution: will leave you breathless. This is not a game . . . this is life! From the day she discovered she had a voice that could touch millions, Olivia Longott put in long, hard hours in the studio, trying to achieve her dreams of R&B superstardom. With such royal talents, she fully deserved the title she was given as First Lady of J, the legendary Clive Davis's label, and then First Lady of G-Unit, when she landed a second deal with G Unit/Interscope Records. Olivia quickly made it clear that she is nobody's number two. With dual recording deals in hand, Olivia thought her dream had manifested—until she left both labels in what felt like a nightmare. Being the fighter her daddy taught her to be, Olivia would not let these challenges hold her back from the industry. Instead, she used the experiences as a setup for something new. The world saw her jump back into the ring swinging on the Love & Hip Hop reality show. Sometimes, though, reality isn't always what it seems. That's why Olivia has taken the time to sit down and pen what it truly is. During her unfolding journey in the music industry, Olivia has seen, heard, and experienced a lot. Now it's time to bring you into her world.
