The Whisperers en Apple Books

A vast panoramic portrait of a society in which everyone spoke in whispers—whether to protect their families and friends, or to inform upon them—The Whisperers is a gripping account of lives lived in impossible times.

Drawing on a huge range of sources - letters, memoirs, conversations - Orlando Figes tells the story of how Russians tried to endure life under Stalin. Those who shaped the political system became, very frequently, its victims. Those who were its victims were frequently quite blameless. The Whisperers recreates the sort of maze in which Russians found themselves, where an unwitting wrong turn could either destroy a family or, perversely, later save it: a society in which everyone spoke in whispers - whether to protect themselves, their families, neighbours or friends - or to inform on them.

Drawing on letters, memoirs, conversations, this work tells the story of how Russians tried to endure life under Stalin, conveying the reality of their terrible choices. It recreates the sort of maze in which Russians found themselves, where an unwitting wrong turn could either destroy a family or, perversely,

later save it.

Provides a portrait of everyday Russian life during the repression of the Stalin years, analyzing the regime's effect on people's personal lives as they struggled to survive in the midst of the fear, mistrust, and betrayal.

From the award-winning author of *A People's Tragedy* and *Natasha's Dance*, a landmark account of what private life was like for Russians in the worst years of Soviet repression. There have been many accounts of the public aspects of Stalin's dictatorship: the arrests and trials, the enslavement and killing in the gulags. No previous book, however, has explored the regime's effect on people's personal lives, what one historian called "the Stalinism that entered into all of us." Now, drawing on a huge collection of newly discovered documents, *The Whisperers* reveals for the first time the inner world of ordinary Soviet citizens as they struggled to survive amidst the mistrust, fear, compromises, and betrayals that pervaded their existence. Moving from the Revolution of 1917 to the death of Stalin and beyond, Orlando Figes re-creates the moral maze in which Russians found themselves, where one wrong turn could destroy a family or, perversely, end up saving it. He brings us inside cramped communal apartments, where minor squabbles could lead to fatal denunciations; he examines the Communist faithful, who often rationalized even their own arrest as a case of mistaken identity; and he casts a humanizing light on informers, demonstrating how, in a repressive system, anyone could easily become a collaborator. A vast panoramic portrait of a society in which everyone spoke in whispers—whether to protect their families and friends, or to inform upon them—*The Whisperers* is a gripping account of lives lived in impossible times.

Download Ebook The Whisperers Private Life In Stalins Russia

From Orlando Figes, international bestselling author of *A People's Tragedy*, *Just Send Me Word* is the moving true story of two young Russians whose love survived Stalin's Gulag. Lev and Svetlana, kept apart for fourteen years by the Second World War and the Gulag, stayed true to each other and exchanged thousands of secret letters as Lev battled to survive in Stalin's camps. Using this remarkable cache of smuggled correspondence, Orlando Figes tells the tale of two incredible people who, swept along in the very worst of times, kept their devotion alive. Orlando Figes was granted exclusive access to the thousands of letters between Lev and Sveta that form the foundation of *Just Send Me Word*, and he was able to interview the couple in person, then in their nineties. These real-time and largely uncensored letters form the largest cache of Gulag letters ever found. Reviews: 'One is overcome with admiration for the kindness, bravery and generosity of people in terrible peril ... It is impossible to read without shedding tears' Simon Sebag Montefiore, *Financial Times* 'This powerful narrative by a distinguished historian will take its place not just in history but in literature' Robert Massie 'Electrifying, passionate, devoted, despairing, exhilarating ... a tale of hope, resilience, grit and love' *The Times* 'Moving ... a remarkable discovery' Max Hastings, *Sunday Times* 'The gulag story lacks individuals for us to sympathise with: a Primo Levi, an Anne Frank or even an Oskar Schindler. *Just Send Me Word* may well be the book to change that' Oliver Bullough, *Independent* 'Immensely touching ... [a] heartening gem of a book' Anna Reid, *Literary Review* 'The remarkable true story of a love affair between two Soviet citizens ... as much a literary challenge as a historical one: the book can be read as a non-fiction novel' *Telegraph* 'Remarkable ... Figes, selecting and then interpreting this mass of letters, makes them tell two kinds of story. The first is a uniquely detailed narrative of the gulag, of the callous, slatternly universe which consumed millions of lives ... The second is about two people determined not to lose each

Download Ebook The Whisperers Private Life In Stalins Russia

other' Neal Ascherson, Guardian 'A quiet, moving and memorable account of life in a totalitarian state ... The book often reads like a novel ... captivating' Evening Standard 'Orlando Figes has wrought something beautiful from dark times' Ian Thomson, Observer 'A heart-rending record of extraordinary human endurance' Kirkus Reviews '[A] remarkable tale of love and devotion during the worst years of the USSR ... [Figes's] fine narrative pacing enhances this moving, memorable story' Publishers Weekly

About the author: Orlando Figes is Professor of History at Birkbeck College, University of London. He is the author of Peasant Russia, Civil War, A People's Tragedy, Natasha's Dance, The Whisperers and Crimea. He lives in Cambridge and London. His books have been translated into over twenty languages.

Unrivalled in scope and brimming with human drama, A People's Tragedy is the most vivid, moving and comprehensive history of the Russian Revolution available today. 'A modern masterpiece' Andrew Marr 'The most moving account of the Russian Revolution since Doctor Zhivago' Independent

Opening with a panorama of Russian society, from the cloistered world of the Tsar to the brutal life of the peasants, A People's Tragedy follows workers, soldiers, intellectuals and villagers as their world is consumed by revolution and then degenerates into violence and dictatorship. Drawing on vast original research, Figes conveys above all the shocking experience of the revolution for those who lived it, while providing the clearest and most cogent account of how and why it unfolded. Illustrated with over 100 photographs and now including a new introduction that reflects on the revolution's centennial legacy, A People's Tragedy is a masterful and definitive record of one of the most important events in modern history.

'An epic icy adventure with a warming tale of sisterhood at its heart' - Maria Kuzniar 'Every way I look

Download Ebook The Whisperers Private Life In Stalins Russia

at it, I love this book from the crystalline brilliance of its surface to its tender, glowing heart' - Zillah Bethell A haunting magical adventure about two sisters born 40,000 years apart, perfect for fans of Frostheart and The Wild Way Home. When Bela's mother dies, she is summoned to deepest Siberia to stay with an uncle she's never met. Exploring his strange scientific workshop, she uncovers a secret she was never meant to find - a doorway that opens to an icy land, frozen in time and full of legends come to life. But this frozen land is in danger, and it's up to Bela to find a way to save it. To succeed, she must join forces with the impossible: a long-lost sister she never knew she had, born 40,000 years before . . .

Focusing on urban areas in the 1930s, this college professor illuminates the ways that Soviet city-dwellers coped with this world, examining such diverse activities as shopping, landing a job, and other acts.

On the heels of the Munich Agreement, Hitler's troops marched into Prague and established the Protectorate of Bohemia and Moravia. Nazi leaders were determined to make the region entirely German. Bryant explores the origins and implementation of these plans as part of a wider history of Nazi rule and its eventual consequences for the region.

Leaders of the Soviet Union, Stalin chief among them, well understood the power of art, and their response was to attempt to control and direct it in every way possible. This book examines Soviet cultural politics from the Revolution to Stalin ' s death in 1953. Drawing on a wealth of newly released documents from the archives of the former Soviet Union, the book provides remarkable insight on relations between Gorky, Pasternak, Babel, Meyerhold, Shostakovich, Eisenstein, and many other intellectuals, and the Soviet leadership. Stalin ' s role in directing these relations, and his literary

Download Ebook The Whisperers Private Life In Stalins Russia

judgments and personal biases, will astonish many. The documents presented in this volume reflect the progression of Party control in the arts. They include decisions of the Politburo, Stalin ' s correspondence with individual intellectuals, his responses to particular plays, novels, and movie scripts, petitions to leaders from intellectuals, and secret police reports on intellectuals under surveillance. Introductions, explanatory materials, and a biographical index accompany the documents.
