Instructors and students alike will find it clearly written, thorough, easy to navigate, and indispensable for use in college courses and beyond. As the authors of several composition handbooks, Kirszner and Mandell are consistently praised for their instinct for teaching, clarity, and student-friendliness, successfully bringing their student-centered approach to their discussion of writing. Each student text is packaged with a free Cengage Essential Reference Card to the MLA HANDBOOK, Eighth Edition. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Language is complex. Written or spoken, the complexity of language makes the medium the versatile tool we need but also creates the potential for a wide variety of misunderstandings and mistakes. Whether we are attempting to understand a piece of fiction or writing a text to make our thoughts comprehensible to others, the complexity of language is both necessary and fraught. That said, the inevitable pitfalls don't mean we need to sacrifice precision or accuracy. This guide is a step by step process that offers hands-on methods for accurate analysis and precise essay construction. Chapter one deals with a variety of methods by which to approach stories and novels such that your analysis is structured on carefully constructed, logical progression founded on the primary text rather than on hunches and guesswork, and chapter two offers infrastructures and scaffolding on which any essay can be structured. The structures included in chapter two are not a template and thus do not limit style or content; rather, they are based on a series of tasks that must be completed for an argument to be convincing. As such, the tasks offer a kind of map through the process of essay writing that always indicates your next step. Contrary to accepted mythologies about analyzing fiction and writing essays, neither is a guessing game, and this text can help you remove the guesswork from your own process.

The second edition of Writing That Makes Sense takes students through the fundamentals of the writing process and explores the basic steps of critical thinking. Drawing upon over twenty years of experience teaching college composition and professional writing, David S. Hogsette combines relevant writing pedagogy and practical assignments with the basics of critical thinking to provide students with step-by-step guides for successful academic writing in a variety of rhetorical modes. New in the second edition: [Expanded discussion of how to write effective thesis statements for informative, persuasive, evaluative, and synthesis essays, including helpful thesis statement templates. [Extensive templates introducing students to conventions of academic discourse, including integrating outside sources, interacting with other writers' ideas, and dialoguing with multiple perspectives. [Examples of academic writing from different disciplines illustrating essay titles, abstracts, thesis statements, introductions, conclusions, and voice. [Expanded discussion of voice in academic writing, including an exploration of active and passive voice constructions in different disciplines and tips on how to edit for clarity. [A new chapter on writing in the disciplines. [Updated sample student papers. [New readings with examples of opposing views and multiple perspectives.

TECHNIQUES FOR COLLEGE WRITING: THE THESIS STATEMENT AND BEYOND is a brief rhetoric that empowers students as writers by giving them the tools they need to create a precise and well-focused thesis. Using the thesis statement as the lens through which students can approach the entire thinking and writing process, TECHNIQUES is divided into three parts that build upon one another: Part I—Thinking Through the Thesis Statement, Part II—Thinking Through Your Writing Assignment, and Part III—Writing Beyond the Composition Classroom. A wide range of journal articles, book excerpts, student essays, paintings, magazine ads, poetry, and short stories make the text accessible to students, and Thinking Through a Reading questions promote active reading and in-class discussion. In-chapter practice exercises, writing applications, revision tools, and writing assignments help students gain confidence so that they can begin to incorporate the techniques they've learned in the book into their own personal writing styles Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
