Being unstoppable is about believing and achieving. It's about having faith in yourself, your talents and your purpose and, most of all, in God's great love and His divine plan for your life.

In Unstoppable, Adrian Gilpin shows us through his own amazing life-story, how ordinary people can achieve extraordinary things. Adrian's story starts with his recovery from a financially catastrophic business collapse, and moves into his journey of awakening through the labyrinth of personal development teaching. You will be deeply moved by Adrian's openness, integrity and honesty as well as being truly inspired to delve deep into your most fundamental aspirations and beliefs to help you achieve all that you really want in life. Unstoppable will help you navigate your way past the false prophets of human potential and keep you focused on the principles of effective thinking and action that will change the way you run your life forever.

"From the bestselling author of *Golf Is Not a Game of Perfect* and *Golf Is a Game of Confidence*, a book about how to improve your short game"--

Want to secure a promotion, write a book, go back to school, lose weight, set up a business? Whatever the goal, Cynthia Kersey's new book, *Unstoppable Women*, can help readers achieve it. Based on the same principles that Kersey has taught in her training programs for such companies as Tupperware®, Mary Kay®, and Jafra Cosmetics®, the book shows how to identify a goal, create a winning mind-set, and break the goal down into daily actions that will lead to success. Each day, a reader discovers a new characteristic of an unstoppable woman. And for inspiration, she'll read the true story of a woman who possesses this quality. She will then learn how to apply these skills to her own life-creating unstoppable success in just 30 days. Writing about Kersey's bestselling first book, *Unstoppable*, Millard Fuller, founder and president of Habitat for Humanity International, said, "It will inspire you to live more passionately and pursue your heart's desire with more conviction. You'll discover how to break through obstacles and get what you want in life."

To understand my determination, you need to know who I am, where I come from, what happened. You need to know about me and my father and the flight from Russia in the dead of night when I was six. You need to know the crazy story. In other words, you need to know everything . . . ' In the middle of the night, a father and his daughter step off a Greyhound bus in Florida and head straight to the Nick Bollettieri Tennis Academy. They ring the bell, though no one is expecting them and they don't speak English. They have arrived from Russia with just seven hundred dollars and the conviction that this six-year-old girl will be the world's next great tennis star. They are right. This is Maria Sharapova's gripping and fearless autobiography, telling her story from her roots in the small Siberian town her parents had fled to after the Chernobyl disaster, through her arrival in the US and her phenomenal rise to success - winning Wimbledon aged just seventeen - to the disasters that threatened her career and her fight back. Here the five-time Grand Slam winner gives us candid insights into her relationship with her father, who gave up his job and life in Russia to dedicate himself to his daughter; the truth behind her famous rivalry with Serena Williams; the injuries and suspension controversy that threatened to end it all. It's a story of of crazy luck, mistakes, rivalries, sacrifice, survival and, above all, the constant, unwavering determination to win.

Following in the footsteps of Dr. Wayne Dyer's first children's book, the bestseller *Incredible You!* this work goes even further toward expressing Wayne's positive message for children. In *Unstoppable Me!* Dr. Dyer teaches children how to hold on to the no-limit thinking he believes they were born with, rather than just trying to "fit in." In doing so, they can learn to truly enjoy life and become unstoppable as they strive to attain their dreams. The 10 important lessons in this book include the value of taking risks, dealing with stress and anxiety, and learning to enjoy each moment. Each point includes an example showing how a child might apply the concept in his or her everyday life. Similar to *Incredible You!* there are questions at the end of the book to help spark discussion and to further reinforce Wayne's message.

An award-winning trainer draws on experience with such top athletes as Michael Jordan, Kobe Bryant and Ken Griffey, Jr. to explain how to tap dark competitive reflexes in order to succeed regardless of circumstances, explaining the importance of finding internal resources and harnessing the power of personal fears and instincts.

Stars Soccer Review Magazine Volume 8 is called UNSTOPPABLE and it features Lionel Messi as the #1 soccer player in the world. We think it is not just a must read but a keeper

Over the next decade, two out of every three companies will face the challenge of their corporate lives: redefining their core business. Buffeted by global

competition and facing an uncertain future, more and more executives will realize that they must make fundamental changes in their core even as they continue delivering the goods and services that keep them in business today. Unstoppable shows these managers how to look deep within their organizations to find undervalued, unrecognized, or underutilized assets that can serve as new platforms for sustainable growth. Drawing on more than thirty interviews with CEOs from companies such as De Beers, American Express, and Samsung, it shows readers how to recognize when the core needs reinvention and how to deploy the "hidden assets" that can be the basis for tomorrow's growth. Building on the author's previous books, Profit from the Core and Beyond the Core, this book shows how any company in crisis can transform itself to become truly unstoppable.
