Weird Shadows Over Innsmouth - Wikipedia

Stephen Jones edited his first all-original Innsmouth-inspired anthology for Fedogan & Bremer back in 1994. It was published as a paperback in the UK by Gollancz, and the endeavour was successful enough for a follow-up volume, entitled *Weird Shadows over Innsmouth*, to come out in 2005. By the law of diminishing returns, the pessimistic might expect the third volume of a series inspired by a single story and from the same editor to display a noticeable fatigue.

One of the best Lovecraft-inspired anthologies ever, *Weirder Shadows over Innsmouth* doesn't have a bad story in it. Full marks to Mr Jones and his authors for breathing new life into the subgenre, whether it be by natural methods or through the gills they hopefully haven't acquired as a result of meddling with those Weird and Shadowy things best left alone by the rest of us."
